**America's Great Danger**  
**AN ENGLISH COMMENTARY.**  
Baltimore (England) scientist recently: "The danger that confronts the great American people today is not the possible absorption of a young financial policy for the nation, or the spread of socialism, or the increase of crime among public men. It is a danger that is not to be met by any ordinary thing, but it is a danger that is a national disease—I had almost said national crime of over-ork. The real cause of which is not a killing pace, and a living fast by the way, but over-ork."  
You are likely to be one of the victims. How do you know? I can assure you that you do not, if you are not a member of the great Nervine League. Nervine is a medicine that is spreading with fearful rapidity. As a consequence, it is doing its work. It is doing its work in the most effective manner. It is doing its work in the most effective manner. It is doing its work in the most effective manner.  
REV. A. C. BROWN, pastor First Baptist Church, Yonkers, N. Y., writes:  
"I was cured by Miss Restorative Nervine for that terrible nervous condition. I had not found relief in giving immediate relief. In the little Nervine and I have found a relief. I find they will recommend themselves to be the best pills in the market."  
"For five years I have suffered from Nervine. I am now able to work again. The Nervine of Dr. Miles' Restorative Nervine is a relief, and one that I do not want to cover up if I do not do it."—JOHN MINCHER, Youngstown, Pa.

**DO YOU WANT TO ADOPT A BABY?**  
Maybe you think this is a new business, sending out babies on application: It has been done before, however, but never have those furnished been so near the original samples as this one. Every one will exclaim, "Well, that's the sweetest baby I ever saw!" This little black-and-white engraving can give you but a faint idea of the exquisite original.

**"I'M A DAISY."**  
which we propose to send to you, transportation paid. The little darling rests against a pillow, and is in the act of drawing off its pink sock, the mate of which has been pulled off and flung aside with a triumphant flourish. The flash tints are perfect, and the eyes so cool, no matter where you stand. The exquisite reproductions of this greatest painting of Ida Waugh the most celebrated of modern painters of baby life are to be given to those who subscribe to Demorest's Family Magazine for 1893. The reproductions cannot be told from the original, which cost \$200, and are the same size, 17x22 inches. The baby is a life size, and absolutely lifelike. We have also in preparation, to present to our subscribers during 1893, other great pictures by such artists as Percy Moran, Maud Humphrey, Louis Deschamps, and others of world-wide renown. Take only two examples of what we did during the past year, "A Yard of Paradise," and "A White House Orchid" by the wife of President Harrison, and you will see what our promises mean.  
Those who subscribe for Demorest's Family Magazine for 1893 will possess a gallery of exquisite works of art of great value, besides a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep everyone posted on all the topics of the day, and all the facts and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and we give you, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2, and you will really get over \$25 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send 10 cents for a specimen copy.
