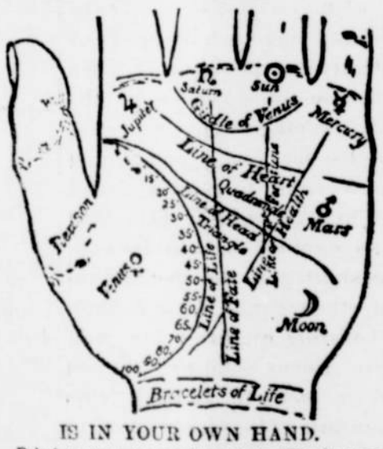
YOUR FUTURE



IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE fame or riches. Both combined mean success in life; but you must keep pace with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crossed. A well defined LINE OF HEALTH spares you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x22 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost $300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only $2.00, and you will really get over $25.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE generosity; long FIRST DIVISION OF THUMB strong will; LONG SECOND DIVISION, reasoning faculty. The MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will have the pleasure to possess the last and most valuable quality.

Harper's Weekly

ILLUSTRATED.

Harper's Weekly is acknowledged as standing first among illustrated weekly periodicals in America. It occupies a place between that of the hurried daily paper and that of the less timely monthly magazine. It includes both literature and news, and presents with equal force and felicity the real events of current history and the imaginative themes of fiction. On account of its very complete series of illustrations of the World's Fair, it will be not only the best guide to the great Exposition, but also its best souvenir. Every public event of general interest will be fully illustrated in its pages. Its contributions being from the best writers and artists in this country, it will continue to excel in literature, news, and illustrations, all other publications of its class.

Judge Caldwell.

TOPEKA, Kan., April 8.—The leaders of organized labor in Kansas and prominent Republicans have started a movement to bring out Judge H. C. Caldwell, of Kansas, for President in 1896. Topeka is the stronghold of labor unions in the West, and organizations are recognized as a powerful element in state politics. The recent decision of Caldwell in the Union Pacific case has started a strong movement among the laboring class, and the Republicans are not slow to see their chance. A prominent Republican, who has held high Federal positions, says to night:

"There is no stronger man to day with the masses than Judge Caldwell. His recent decision has endeared him to every man who is desirous of seeing justice prevail between capital and the men who furnish the brain and muscle to carry on the business of this country. He is able and honest, and would have the confidence of the people." A few Republicans specially favorable to Governor McKinley are endeavoring to check the Caldwell movement. Some of the old politicians are surprised at the manner in which it started, and the eagerness with which everybody endorses it. —Special Dispatch to the Enquirer.

Locke from his last photograph. It would sell at one dollar or more, but will never be placed on sale. One hundred thousand copies are now being printed and bound, and one copy will be sent postpaid by mail free to every person who this winter remits one dollar for the Weekly Blade one year. Everybody invited to send for a specimen copy of the Weekly Blade, which will give a full description of the book "The Nasby Letters."
