ED. HERALD: It is not always the best posted or smartest man that makes the best county judges or joint representatives, sometimes such men are too smart. For instance they may be disposed to use their shrewdness to benefit themselves which would result in a loss

parties not so well posted in law. I will give an example, two candidates now nominees for office, belonging to the legal fraternity, had the settling up of an estate, in which I am personally interested. This firm was given a pension check of \$24 to settle cost at the clerk's office amount of cost \$10, the firm charged \$40 for its services and in the account presented for settlement the estate was credited with \$3.50 on pension check leaving a balance due the firm of \$36.50 Now the question is, what became of the balance of the \$24 pension check?

DREWSEY, Oregon, Apr. 28 '94. To the voters of Harney County having received the nomination for County Judge tendered me by the Populist Party and as circumstances are such that I can not make a personal canvass of the county I wish to say to you that if elected my earnest desire will be to promote the interests of the entire county regardless of locality or individuals.

CHAS. P. RUTHERFORD.

—We published last week a report of a robbery committed at Lake View, said to have been done by Ray Dusenberry and an accomplice whose name was not given. We get further particulars of the robbery from the Lake View Examiner, of the 26th of April. The robbery was committed at Bly P. O. instead as reported at Lake View. \$40 was the amount taken. The robbers were captured at the J. J. ranche at Plush by Harry Riggs and Bob Ford. They gave their names as Mayer and Wilson, but the Examiner states that the one claiming his name to be Wilson did not give his real name, so it may be that Ray Dusenberry had nothing to do with the robbery.

"Eighty years young," said Dr. Oliver Wendell Holmes when asked his age on a now famous birthday. For forty-four years Harper's New Monthly Magazine has kept abreast of the best art and the latest knowledge. It is new every month. Besides its articles on general topics, the May Number contains six complete short stories, a generous installment of Mr Du Maurier's novel, "Trilby," half a long story by James Lane Allen, and more pictures than the average illustrated book.

The secretary of the Elkhart Carriage and Harness Mfg. Co., of Elkhart, Ind., informs us that their prices will be lower for 1894 than ever. He wishes us to ask our readers not to purchase anything in the line of carriages, wagons, bicycles or harness until they have sent 4 cents in stamps to pay postage on their 112 page catalogue. We advise the readers of this paper to remember his suggestion.
