

CONSIDERABLE surprise was felt by Col. Stump, Superintendent of Immigration, when he found that several democratic members of the House objected to his bill for the prevention of the coming of alien anarchists into the United States and for the deportation of those already here. The bill was passed by the Senate without objection and the attempt was made to rush it through the House by unanimous consent, in order that it might become a law in time to prevent the landing of the 500 French and Italian anarchists who have been driven out of those countries by adverse legislation and are said to be now on their way to the United States. But action was prevented upon it by the objection of Representative Warner of New York City, and in the absence of a quorum his objection was effective. Mr. Warner objects to the bill because it does not define an "alien anarchist," and because it gives the Superintendent of Immigration too much authority. Col. Stump is now trying to get enough Representatives to return to Washington to make a quorum, and if he succeeds will endeavor to get the bill put through the House under a special rule. If he can get the quorum the rest will be easy.

REPRESENTATIVE BYRD, of Nebraska, who has more than a fighting chance of being Senator Bryan in the near future, is an ardent admirer and disciple of Thomas Jefferson, the great Virginia democrat. During a recent pilgrimage to Monticello Mr. Bryan conceived the idea of presenting the quota of plants allotted to him as a member of the House, from the U. S. Botanical Gardens, to be used in decorating Jefferson's grave. Among the plants to be sent to Monticello is a sprig of ivy from a plant grown from a sprig out from the grave of Robert Burns, the great Scotch poet. Pilgrimages to the grave of Jefferson are becoming quite popular with democrats. Vice President Stevenson and Senator Hill are among the pilgrims. The hospitality of Hon Jefferson M. Levy, the present proprietor of Monticello, makes the pilgrimage as pleasant as the surroundings make it patriotic.

"Senatorial courtesy" was badly strained when republican Senators refused to answer to their names to make a quorum to pass the bill correcting the error in the tariff bill for which a republican Senator—Hoar, of Massachusetts—is responsible, making alcohol used in the arts free, unless the democratic Senators would promise not to make any speeches while the bill was under consideration. It was certainly taking an unfair advantage of the fact that the democratic Senators could not possibly have a quorum of their own on the floor. It also looked as though the republican Senators feared the effect upon the country of the speeches that might be made by democratic Senators. It is unfortunate that all of the democratic Senators could not have been kept in Washington until the end of the session. It was

certainly their duty to remain in but duty doesn't outweigh pleasure or convenience with some of them.

I have two little grand children who are teething this hot summer weather and are troubled with bowel complaint. I give them Chamberlain's Colic, Cholera and Diarrhoea Remedy and it acts like a charm. I earnestly recommend it for children with bowel troubles. I was myself taken with a severe attack of bloody flux, with cramps and pains in my stomach, one-third of a bottle of this remedy cured me. Within twenty-four hours I was out of bed and doing my house work. Mrs. W. L. Dunagan, Bon Aqua, Hickman Co., Tenn. For sale by H. M. Horton.

While in Topeka last March, E. F. Barber, a prominent newspaper man of La Cygne, Kan., was taken with cholera morbus very severely. The night clerk at the hotel where he was stopping happened to have a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and gave him three doses which relieved him and he thinks saved his life. Every family should keep this remedy in their home at all times. No one can tell how soon it may be needed. It costs but a trifle and may be the means of saving much suffering and perhaps the life of some member of the family. 25 and 50 cent bottles for sale by H. M. Horton.
