

CHAIRMAN Wilson, before leaving Washington, took occasion to express his opinion freely concerning the effect of President Cleveland's letter to Representative Catchings upon the Congressional campaign. Mr. Wilson endorses every word said in that letter; also the action of the President in allowing the tariff bill to become a law without his signature, and believes that the letter will be of much service in preventing luke warmness of tariff reformers towards democratic candidates. Mr. Wilson also disposed most effectually of the republican argument that the promise of additional tariff reform in the future which the President made in his letter, meant another general tariff bill and its consequent upsetting of business. Concerning this far-fetched argument he said; "The work of tariff reform will be continued by easy graduations and by special reductions from time to time until we have accomplished our purpose. There will be no other general tariff bill. The tariff rates will remain stable on the great majority of articles, and it will be upon comparatively few that the perfecting of details will be necessary in order that the tariff reform law placed on the statute books shall be a consistent whole. This work will be performed, however, in such a manner as neither to disturb the business conditions of the country nor to affect either the employer or the employed." Mr. Wilson is confident of his re-election, no matter who the republicans may run against him.

REPRESENTATIVE Warner, of New York, who strongly believes that sugar should have been made free so as to down the sugar trust, said of the President's letter: "The President proposes to go at the thing right this time. He leads out in an attack against the trusts which occupy the most strongly entrenched position in the center of the protection line. When once we carry the center of the line and rout the trusts, the rest of the fight will be easy enough, and we will get free raw material and everything else we want without any difficulty."

SECRETARY Carlisle will not be able to take an extended vacation this year, as there will be many questions arising out of the administration of the new tariff law that will require his personal attention and which delay in answering would seriously inconvenience many business men. The condition of the Treasury is much better than it has been at the end of any month recently, and the probabilities are all in favor of a continued improvement, owing to the increase in receipts under the new tariff.

WASHINGTON hasn't had a chance to miss Congress yet. This week the Uniformed Rank Knights of Pythias, about 10,000 strong, are holding their annual encampment here, and the Southern Development Convention, an organization engaged in booming the southland,

is also in session here. When things get quiet the absence of Congress will begin to be regretted.

I have two little grand children who are teething this hot summer weather and are troubled with bowel complaint. I give them Chamberlain's Colic, Cholera and Diarrhoea Remedy and it acts like a charm. I earnestly recommend it for children with bowel troubles. I was myself taken with a severe attack of bloody flux, with cramps and pains in my stomach, one-third of a bottle of this remedy cured me. Within twenty four hours I was out of bed and doing my house work. Mrs. W. L. Dunagan, Bon Aqua, Hickman Co., Tenn. For sale by H. M. Horton.

While in Topeka last March, E. P. Barber, a prominent newspaper man of La Cygne, Kan., was taken with cholera morbus very severely. The night clerk at the hotel where he was stopping happened to have a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and gave him three doses which relieved him and he thinks saved his life. Every family should keep this remedy in their home at all times. No one can tell how soon it may be needed. It costs but a trifle and may be the means of saving much suffering and perhaps the life of some member of the family. 25 and 50 cent bottles for sale by H. M. Horton.
