I see, good sir, you've stol'n my little book, And made it all your own, by hook or crook; And for its weakness I have oft been cursed.

The credit or the blame will all be yours. Well, be it so—that story was my first. And for its weakness I have oft been cursed.

Faith! I am glad to be relieved of it. And since you are about it, Little Wit, I beg you come: dip further in my store.

And steal some verse I wrote in days of yore. Then will I call you Angel, sir, in truth.

Who've freed my name from the mistakes of Youth—John Kendrick Bangs, in Harper's Weekly.

Senator Jones, of Nevada, isn't much of a populist, notwithstanding his sensational letter announcing his abandonment of the republican party and his intention to act with the populists in the future; but he is a firm believer in the free coinage of silver at a ratio of 16 to 1, and a very shrewd politician; hence the publication of that letter. His sole object, in the opinion of your correspondent, was to endeavor to force the silver question to the front in the Congressional campaign.

because he thereby hopes to see the number of democrats elected to the next House, owing to the known differences of opinion in the party on the subject. We do not hesitate to predict that upon all political questions Senator Jones will continue to vote with the republicans as he has always done. Mark the prediction. In other words, the

prediction. In other words, the

move is a republican trick. In order that the matter should be dealt with by experts, Secretary Canale has designated a number of U. S. Customs Inspectors and officials of the Customs Bureau of the Treasury department, to act as a commission to draw up the regulations necessary for the enforcement of the sugar schedule of the new tariff. This commission will be under the immediate direction of Assistant Secretary Hahn.

Dr. Miles' Medical Co., Elkhart, Ind. You will remember the condition I was in two years ago, when I was afflicted with a combination of diseases, and thought there was no hope of my recovery. I tried all kinds of medicines, and scores of eminent physicians. My nerves were prostrated, of brilliant physique, I felt that I was going to die. I commenced to take your Dr. Miles' Nervine, and in three months I was perfectly cured. In my travels each year, I feel I owe you a debt of gratitude for your medicine, taking prescriptions from my physicians who have no knowledge of their case, and whose death is certain. I feel like saying to them and saying, "I cured Dr. Miles' Nervine and he cured me." In my opinion, your Dr. Miles' Nervine is the best medicine for nervous exhaustion, brought on by the overwork and nervous exhaustion, brought on by the overwork of the business engaged in, I would recommend Dr. Miles' Nervine to all suffering from these causes.
