

THE democratic convention of Neb., at Omaha Sept. the 26th. nominated, Congressman Bryan. by acclamation for United States Senator. The following ticket was put in the field, 104 anti-fusionists bolting during the process: Governor, Judge Holcomb; lieutenant governor, J. N. Gaffin; secretary of state, F. R. Ellick; treasurer, G. A. Linkhart; attorney general, D. B. Carr; auditor, J. C. Dahlman. Holcomb, Gaffin, Carr, are Populist nominees. We give a part of the platform:

"We indorse the language used by John G. Carlisle in 1888 when he denounced the conspiracy to destroy silver money as 'the most gigantic crime of this, or any other age;' and we agree with him that 'consummation of such a scheme ultimately entail more misery upon the human race than all the wars, pestilences and famines that ever occurred in the history of the world.'

"We favor immediate restoration of the free and unlimited coinage of gold and silver at the present ratio of 16 to 1, without waiting for the consent of any nation on earth. We believe all money issued by the government, whether gold, silver or paper, should be made full legal tender for all debts, public and private, and that no citizen should be permitted to demonetize by contract that which the government makes money by law."

The regular convention then adjourned. The bolters organized into a separate convention and began the work of selecting a straight Democratic ticket

ALTHOUGH no official announcement has been made to that effect, and none is expected, it has been understood for some time that treasury officials regarded women a failure as high grade clerks in that department; consequently there was little surprise when it was learned that a consequently percentage of the hundred-odd clerks dismissed thus far in the reorganization of that department, now under way in accordance with a law enacted at the last session of Congress, were high grade women clerks. There are more high grade women clerks—that is women drawing more than \$1200 a year—in the Treasury than in any other department, and, according to statements of those over them, there are numerous reasons why men are preferred to them. It is said no more women will be appointed to or promoted to any clerkship above the \$1200 grade in the Treasury department. Although it is strictly a matter of business, those who have been dismissed are raising as great a howl as though they had been deprived of something in which they had a proprietary interest, and the howl is likely to increase in volume as soon as those who are trying to get reinstated become convinced that they cannot succeed.

Senayon Faulkner has decided that he can be of more benefit to the party by giving his undivided attention to managing the congressional campaign committee, of which

he is chairman, than by going on the stump; consequently he will make no speeches, but he will remain constantly at the committee headquarters. He sent President Cleveland a copy of the campaign Text Book, with the compliments of the committee.

While in Topeka last March, E. T. Barber, a prominent newspaper man of La Cygne, Kan., was taken with cholera morbus very severely. The night clerk at the hotel where he was stopping happened to have a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and gave him three doses which relieved him and he thinks saved his life. Every family should keep this remedy in their home at all times. No one can tell how soon it may be needed. It costs but a trifle and may be the means of saving much suffering and perhaps the life of some member of the family. 25 and 50 cent bottles for sale by H. M. Horton.
