YOUR FUTURE

IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will advise you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. We have LINE OF HEAD denotes brain power; clear LINE OF FORTUNE fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine so attractively presented that every member of the family is entertained for a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE peaceful life; the reverse if spasmodic. well defined LINE OF HEALTH spares you doctors' bills; so will the beauty hints in Demorest's. No other magazine publishes so many articles to interest the home circle. You will be subject to extremes of high spirits or despondence if you have the CIRCLE OF VENUS well marked. keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x22 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost $3.00; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only $2.00, and you will really get over $25.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. The MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN love of splendor; MARS courage; MOON, imagination; VENUS, love of pleasure; and MERCURY intelligence. ILLUSTRATED.

Harper's Weekly is acknowledged as standing first among illustrated weekly periodicals in America. It occupies a place between that of the hurried daily paper and that of the less timely monthly magazine. It includes both literature and news, and presents with equal force and felicity the real events of current history and the imaginative themes of fiction. On account of its very complete series of illustrations of the World's Fair, it will be not only the best guide to the great Exposition, but also its best souvenir. Every public event of general interest will be fully illustrated in its pages, its contributions being from the best writers and artists in this country. A high-class illustrated magazine magazine in the home is no longer a luxury. It is a necessity, and to meet the demands created by this necessity, THE COSMOPOLITAN MAGAZINE, giving yearly, as it does, 1536 pages of reading by the ablest living authors, with over 1200 illustrations by clever artists, has stepped into the breech, with a reduction in its price that has startled the literary world.

The HERALD, fully alive to the needs of its patrons, has made special arrangements with this superb monthly, whereby it will receive orders for yearly subscriptions to both publications combined for the sum of $3.00.

The price of the great illustrated monthlies in the past has been $3 00 and $4 00 a year, and they were to be found only in the more pretentious homes. Our offer furnishes a help to all families, no matter how modest their means, to keep in touch with the greatest minds of the world, as The Cosmopolitan has today the strongest regular staff of any existing periodical.
