Dear Sir: Huntington has advantages for shipping and sale of wool, no other point in Eastern Oregon has, namely: Being the terminus of divisions, the point to which all raes are made east or west bound. We get same to Boston and east as do all points east to Caldwell and lower rates to Portland and San Francisco than the points east of us. Our rate to Boston is \$1.90. We get same rates to Portland and San Francisco as does Baker City and a lower rate east than they.

The above are facts, no town can equal our advantages for shipping or selling. Advances made—hauling charges paid—wool insured immediately. Send your wool in our care. Respectfully, O. C. Co

While at Peekskill, N. Y., Mr. J. A. Scriven, a prominent manufacturer of New York City, purchased a bottle of Chamberlain's Cough Remedy. Such good results were obtained from its use that he sent back to the druggist from whom he had obtained it for two more bottles of the same remedy. When you have a cough or cold give this preparation a trial and like Mr. Scriven you will want it when again in need of such a medicine. It is a remedy of great worth and merit. 50 cent bottles for sale by H. M. Horton.
