—The South Oregon Monitor a twice-a-week paper lately started in Medford, Oregon. The fourth number came to us this week. Chas. E. Wolcott Editor and Proprietor.

The fate of the "Burns stage line" is a forcible reminder to those who will persist in taking government mail contracts at figures too low to be reasonable.—Grant Co. News.

The Oregon Pacific R.R. was again sold, at Corvallis, last Saturday. E. L. Bonner, for the Hammond Bonner Company, who are extensive railroad operators in Montana, was the purchaser, the sum paid \$100,000.

Hon. A. W. Gowan, senator-elect of Harney, Grant and Morrow counties, pledges himself to exert his every energy to help accomplish many reforms necessary to the welfare and prosperity of our people and state.

—Mr. Cal Geer procured the Xmas tree free of charge, for which we think he deserves credit considering the amount of snow on the mountains, the distance to fir timber, cold weather, etc.

—The public Xmas tree on Monday evening at the military hall was a decided success. A rich tree, a good Santa Claus and a merry time. There were two or three private trees, that is family trees, in town, loaded with candies, nuts, toys, etc., to gladden the hearts of the little ones, besides many presents for the parents and grown members of the family, which were highly appreciated and many thankful hearts in our town rejoiced, and grateful thanks ascended to the throne of the Most High that it was as well with us as it is.

—There will be a Masquerade Ball at Caldwell's Hall on Jan. 1st, 1895.

—The Portland Sun of Saturday December the 22nd, in speaking of the unwarranted personal attack on the Hon. C. W. Fulton of Clatsop county, made by the Oregonian, says, the attack was made upon Mr. Fulton, by said paper because his name has been mentioned for U. S. senatorial honors in opposition to Single Gold Standard Dolph, and further states it to be an insult to every republican in the state, and a slander upon the intelligence of the people of Oregon. The Sun says, "a paper claiming to be the leading paper of the state that can find no better argument for their cause and their candidate than vituperation and personal attacks upon republicans whose only sinning is that they think and speak as their consciences may dictate, and as they believe the best interest of the people demand." "How friendly Mitchell, Lord, Kincaid, Hermann, Ellis, Moody, Thompson, Moore, Bean, Wolverton, Barin, Tongue, McBride, Donaldson, Van Slyck, Wright, Alley, Bancroft, Woodard, Brownell, Mintie, and the numerous other republican leaders as well as the nineteen twentieths of the voters of Oregon who are advocates of the double standard, must feel towards the Oregonian."

—Chas. Owens received a favorable decision, from the Secretary of the Interior, this morning, in his land contest case. It was a swamp land contest, the decision at this office in the case was decided the Register giving his decision swamp and the Receiver not swamp. This case was tried before the present Register and Receiver were appointed. The commissioner sustained the decision of the Receiver at this office it was then taken before the Secretary of the Interior and he confirmed the decision of the Commissioner.

The recent change made by the New York Weekly World in issuing two papers a week in place of one is meeting with great favor.

## Local Institute.

The local institute held at Burns school last Friday was a very interesting affair, both educationally and socially. A number of parents and teachers were in attendance, and took part in the days work. We sometimes think that our people have not a true conception of the importance of these occasional reunions of teachers, parents and pupils, otherwise they would be more generally patronized. These events offer great opportunities for encouragement and approval of our school work, which are much appreciated by both teacher and pupil. Prof. Newell and Fegely, Dr. Marsden, our teachers Mrs. Marsden and Mr. Dillard, and several other educators were present, most of whom took part in the illustrative work. In the afternoon the exercises of the day were closed by literary exercises by the school, and music which was kindly furnished by Miss Madge Byrd and Mrs. Fegely. Altogether a very good day's work may be credited up to our school. We are glad to note the interest shown, and trust that it may increase; we do not feel that we can close this short brief notice of our institute, without again referring to the literary exercise in the afternoon. The declamations etc. by the pupils were very good, but especially do we wish to notice the declamations of young James Pierson and sister Alma we think deserves more than a passing notice.

Premium Band and Orchestra.

Dr. Miles Medical Co., Elkhart, Ind.  
You will remember the condition I was in five years ago, when I was afflicted with a combination of diseases, and thought there was no help for me. I tried all kinds of medicines, and scores of eminent physicians. My nerves were prostrated, producing disease, heart trouble and all the ills that make life miserable. I commenced to take

**DR. MILES' NERVINE**  
and in three months I was perfectly cured. In my travels I have seen thousands of physical wrecks, suffering from nervous prostration, taking prescriptions from local physicians who have no knowledge of their case, and whose death is certain, I feel like going to them and saying, "Get Dr. Miles' Nervine and be cured." In my profession, I have seen many cases of nervous exhaustion, brought on by the character of the business engaged in, I would recommend "Miles' Nervine" as a sure cure for all suffering from these causes.
