## DO YOU WANT TO ADOPT A BABY?

Maybe you think this is a new business, sending out babies on application; it has been done before, however, but never have those furnished been so near the original samples as this one. Everyone will exclaim, "Well! that's the sweetest baby I ever saw!" This little black-and-white engraving can give you but a faint idea of the exquisite original.

"I'M A DAISY."

which we propose to send to you, transportation paid. The little darling rests against a pillow, and is in the act of drawing off its pink sock, the mate of which has been pulled off and flung aside with a triumphant ogle. The flesh tints are perfect, and the eyes follow you, no matter where you stand. The exquisite reproductions of this greatest painting of Ida Waugh (the most celebrated of modern painters of baby life) are to be given to those who subscribe to Demorest's Family Magazine for 1894. The reproductions cannot be told from the original, which cost \$400, and are the same size (17x22 inches). The baby is life size, and absolutely lifelike. We have also in preparation, to present to our subscribers during 1893, other great pictures by such artists as Percy Moran, Maud Humphrey, Louis Deschamps, and others of world-wide renown. Take only two examples of what we did during the past year, "A Yard of Fancies," and "A White House Orchid" by the wife of President Harrison, and you will see what our promises mean. Those who subscribe for Demorest's Family Magazine for 1893 will possess a gallery of exquisite works of art of great value, besides a Magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep everyone posted on all the topics of the day, and all the facts and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion Magazine, its fashion pages are perfect, and we give you, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2, and you will really get over \$25 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St. New York. If you are unacquainted with the Magazine, send 10 cents for a specimen copy.

## WIRELESS

Dear Sir: Huntington has advantages for shipping and sale of wool, no other point in Eastern Oregon has, namely: Being the terminus of divisions, the point to which all rates are made east or west bound. We get same to Boston and east as do all points east to Caldwell and lower rates to Portland and San Francisco than the points east of us: Our rate to Boston is \$1.90. We get same rates to Portland and San Francisco as does Baker City and a lower rate east than they.

The above are facts, no town can equal our advantages for shipping or selling. Advances made—hauling charges paid—wool insured immediately. Send your wool in our care. Respectfully,  
O. C. Co

While at Peekskill, N. Y., Mr. J. A. Scriven, a prominent manufacturer of New York City, purchased a bottle of Chamberlain's Cough Remedy. Such good results were obtained from its use that he sent back to the druggist from whom he had obtained it for two more bottles of the same remedy. When you have a cough or cold give this preparation a trial and like Mr. Scriven you will want it when again in need of such a medicine. It is a remedy of great worth and merit. 50 cent bottles for sale by H. M. Horton.
