There are a few real estate stores in our city which sell 200 shares of stock a day, making a profit of \$20,000 a year. We are anxious to get a few more of these stores, the clear profit on each share being \$100.00. We have a few more of these stores for sale, and on our own and best of these stores a pair. We should establish these stores in each of the fifty largest cities of the U. S., and they will only cost you \$100.00. Harper's Weekly is acknowledged as standing first among illustrated weekly periodicals in America. It occupies a place between the hurried daily paper and that of the less frequently monthly magazine. It includes both literature and news, and presents with equal freedom and felicity the real events of current history and the imaginary fictions of fiction. On account of its very complete series of illustrations of the World's Fair, it will be not only the best guide to the great Exposition, but also its best souvenir. Every public event of general interest will be fully and fully in its pages. Its contributions being from the best writers and artists in this country, it will constitute an excel in literature, news, and illustrations, at other publications of its class.

A high-class illustrated magazine in the home is no longer a luxury. It is a necessity, and to meet the demands created by this necessity, THE COSMOPOLITAN MAGAZINE, giving yearly, as it does, 1536 pages of reading by the ablest living authors, with over 1200 illustrations by clever artists, has stepped into the breach, with a reduction in its price that has tartled the literary world.

The HERALD, fully alive to the needs of its patrons, has made special arrangements with this superb monthly, whereby it will receive orders for yearly subscriptions to both publications combined for the sum of \$3.00.

The price of the great illustrated monthlies in the past has been \$3.00 and \$4.00 a year, and they were to be found only in the more pretentious homes. Our offer furnishes a help to all families, no matter how modest their means, to keep in touch with the greatest minds of the world, as The Cosmopolitan has today the strongest regular staff of any existing periodical. YOUR FUTURE

IN YOUR OWN HAND.

Palmer's attempts to tell what the lines in your hand indicate. It will save you, if nothing more. The above diagram almost explains itself. The lower of the LINE OF LIFE indicates probable age to which you will live. Each BRACELLET gives you thirty years. We'll make LINE OF HEAD denotes brain power; clear LINE OF FORTUNE from or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, an extremely present that every member of the family is entitled to. It is a dot magazine in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE powerful life; the reverse if crossed a well-ordered LINE OF HEALTH spurs you doctors' bills; so will the brain hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the CHURCH OF YES US well marked. Keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1895 you will receive a copy of exquisite works of art of great value, bound in the superb production picture, "The Garden of Eden" which is almost a real baby, and you will have the original oil painting which cost \$800; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the crises of the day, and all the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and what Demorest's is not a fashion magazine, its fashion part are a feet, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2.00, and you will receive Demorest's Family Magazine, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large "D" RANGLE means honesty; a large "T" RANGLE means love; a large "V" RANGLE means ambition; that of SATURN, produces the SUN; love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence.
