THE BEST AND IS THE SAFEST INVESTMENT I EVER MADE.

There are single retail shoe stores in our large cities which sell 2,000 pairs of shoes a day, making a net profit of $1,000,000 a year. We sell a pair but we sell a great many pairs, the clear profit on our ladies', misses' and childrens' shoes is 25 cents on cents a pair, and on our mens' and boys' shoes 15 cents a pair. We shall establish shoe stores in each of the fifty largest cities of the U. S., and if they sell only 500 pairs of shoes a day they will earn $25, 00 a year. We should be able to pay a yearly dividend of $25 a share, or over 50 per cent a year on the investment. We sell the stock at $5 a share. The price must inevitably be much more than $5 a share. No stock has ever been sold at less than its price, which is $5 per share. It is a necessity. Incorporated, Capital $1,000,000. YOUR FUTURE

IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will advise you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. We marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE [illegible] or riches. Both combined mean success [illegible] but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine so attractively presented that every member of the family is entertained [illegible] dozen magazines in one. A CLEAR LINE OF HEART denotes tenderness; a straight LINE OF FATE, peaceful life; the reverse if crossed [illegible] well-defined LINE OF HEALTH spares you doctors' bills; so will the beauty hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondence if you have the CIRCLE OF VENUS well marked. Keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1891 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x21 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost $300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the facts and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion plates are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only $2.00, and you will really get over $5.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large OUTDRAGGLE means honesty; a large TRIANGLE generosity; long FIRST DIVISION OF THUMB strong will; LONG SECOND DIVISION, reasoning faculty. The MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN, love of splendor; MARS courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the last and most valuable quality.

Harper's Weekly is acknowledged as standing first among illustrated weekly periodicals in America. It occupies a place between that of the hurried daily paper and that of the less timely monthly magazine. It includes both literature and news, and presents with equal force and felicity the real events of current history and the imaginative themes of fiction. On account of its very complete series of illustrations of the World's Fair, it will be not only the best guide to the great Exposition, but also its best souvenir. Every public event of general interest will be fully illustrated in its pages. Its contributions being from the best writers and artists in this country, it will continue to excel in literature, news, and illustrations, all other publications of its class.
