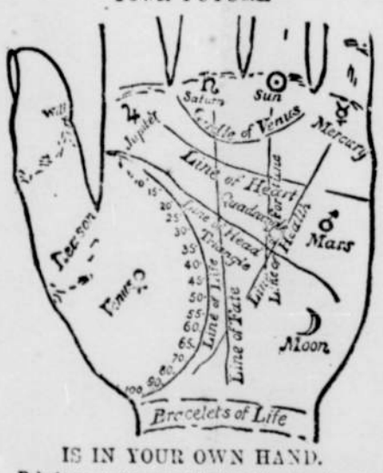
YOUR FUTURE



IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crossed. A well-defined LINE OF HEALTH spares you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x21 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost $300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion plates are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only $2.00, and you will really get over $20.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE generosity; long FIRST DIVISION OF THUMB strong will; LONG SECOND DIVISION, reasoning faculty. The MOUNT OF JUPITER beckons ambition; that of SATURN, prudence; the SUN, love of splendor; MARS courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the best and most valuable quality.

1895
Harper's Magazine.
ILLUSTRATED
ILLUSTRATED.

The Simpleton, a new novel by THOMAS HARDY, will be begun in the December Number, and be continued to November 1895. Whoever may be one's favorite among English Novelists it will be conceded by all critics that THOMAS HARDY stands foremost of a master rank in fiction, and The Simpleton may be expected to arouse enthusiasms not inferior in degree to that which has marked Trilby—the most successful story of the year. Another leading feature will be the Personal Recollections of Joan of Arc, by the Sieur LOUIS DE CONTE, Her Page and Secretary, under which guise the most popular of living American magazine writers will present the story of the Maid of Orleans. In the January Number will appear a profusely illustrated paper on Charleston and her Peculiars, the first of a series of Southern Papers.

Northern Africa is attracting more attention than any other time since it was the seat of empires. The next volumes of HARPER'S MAGAZINE will four illustrated articles on this region, and three of them will depict the present life there. JULIAN RALPH will prepare for the MAGAZINE a series of eight stories, depicting typical phases of Chinese Life and Manners besides the long stories there will begin in the January Number the first Chapter of A Three Part Novelette by RICHARD HARDING DAVIS—the longest work yet attempted by this writer. Complete short stories by popular writers will continue to be a feature of the MAGAZINE

ILLTSTRATED.

HARPER'S Weekly is a pictorial history of the times. It presents every important event promptly, accurately, and exhaustively in illustration and descriptive text of the highest order.

The manner in which, during 1894, it has treated the Chicago Railroad Strikes and the China-Japanese War, and the amount of light it was able to throw on Korea the instant attention was directed to that little-known country, are examples of its almost boundless resources. Julian Ralph, the distinguished writer and correspondent, has been sent to the seat of war, and there joined by C. D. Weldon, now for many years resident in Japan, who has been engaged to co-operate with Mr. Ralph in Sending to HARPER'S WEEKLY exclusive information and illustration.

A high-class illustrated magazine magazine in the home is no longer a luxury. It is a necessity, and to meet the demands created by this necessity, THE COSMOPOLITAN MAGAZINE, giving yearly, as it does, 1536 pages of reading by the ablest living authors, with over 1200 illustrations by clever artists, has stepped into the breech, with a reduction in its price that has tartled the literary world.

The HERALD, fully alive to the needs of its patrons, has made special arrangements with this superb monthly, whereby it will receive orders for yearly subscriptions to both publications combined for the sum of $3.00.

The price of the great illustrated monthlies in the past has been $2.00 and $4.00 a year, and they were to be found only in the more pretentious homes. Our offer furnishes a help to all families, no matter how modest their means, to keep in touch with the greatest minds of the world, as The Cosmopolitan has today the strongest regular staff of any existing periodical.
