YOUR FUTURE. IS IN YOUR OWN HAND. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF HEAD denotes brain power; clear LINE OF FOREHEAD denotes clear vision; clear LINE OF FORTUNE denotes wealth. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is entertained. It is a done-up magazine in one. A CLEAR LINE OF HEART denotes tenderness; a straight LINE OF EARS denotes power; the reverse if crooked. A well defined LINE OF HEALTH spaces you doctor's bills; so will the heart's hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or depression if you have the CHINNE OF VENUS well marked. Keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb painting, picture, TRIPINOS, "I'm a Doctor," which is almost a real baby, and equal to the original oil painting which cost \$300; and you will have a magazine that cannot be equalled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the facts and different forms of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; so while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2.00, and you will really get over \$250 in value. Address the publisher, W. J. Demorest, Demorest, 12 West 14th St., New York. If you are unacquainted with the Magazine send for specimen copy. A large QUADRANGLE means beauty; a large TRIANGLE means generosity; long FINGER DIVISION OF THUMB, strong will; LONG SECOND DIVISION, reason; strong faculty. THE MOUNTAIN OF JUPITER denotes ambition; that of SATURN, prudence; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the last and most valuable quality.

1895 Harper's Magazine. ILLUSTRATED ILLUSTRATED.

The Simpleton, a new novel by THOMAS HARDY, will be begun in the December Number, 1895, and continued to November, 1896. Whoever may be one's favorite among English Novelists, it will be conceded by all critics that THOMAS HARDY stands foremost of a master artist in fiction. The Simpleton may be expected to arouse enthusiasm not inferior in degree to that which has marked Trilby—the most successful story of the year. Another leading feature will be the Personal Recollections of Louis de Conte, Her Pique and secretary, under which name the most popular of living American magazine writers will present the story of the Maid of Orleans. In the January Number will appear a profusely illustrated paper on Charlotte and the Carolinas, the first of a series of Southern Papers.

Northern Africa is attracting more attention at any other time since it was the seat of empires. The next volume of HARPER'S MAGAZINE will feature illustrated articles on this region, and three of them will depict the present life there. JULIAN RALPH will prepare for the MAGAZINE a series of eight stories, depicting typical phases of Chinese life and manners. Besides the long stories, there will begin in the January Number the first Chapter of A Three Part Novellette, by RICHARD HANDBY DAVIS—the longest work yet attempted by this writer. Complete short stories by popular writers. Will continue to be a feature of the MAGAZINE.

W Har's ILLUSTRATED.

HARPER'S Weekly is a pictorial history of the times. It presents every important event promptly, accurately, and exhaustively in illustration and descriptive text of the highest order. The manner in which, during 1894, it has treated the Chicago Railroad Strikes and the Sino-Japanese War, and the amount of light it has shed upon the latter, has attracted attention was directed to that little-known country, are examples of its aim at boundless resources. Julian Ralph, the distinguished writer and correspondent, has been sent to the seat of war, and there joined by J. D. Weldon, now for many years resident in Japan, who has been engaged to co-operate with Mr. Ralph in sending HARPER'S WEEKLY exclusive information and illustration.

A high-class illustrated magazine in the home is no longer a luxury. It is a necessity, and to meet the demands created by this necessity, THE COSMOPOLITAN MAGAZINE, giving yearly, as it does, 1536 pages of reading by the ablest living authors, with over 1200 illustrations by clever artists, has stepped into the breach, with a reduction in its price that has tartled the literary world.

The HERALD, fully alive to the needs of its patrons, has made special arrangements with this superb monthly, whereby it will receive orders for yearly subscriptions to both publications combined for the sum of \$3.00.

The price of the great illustrated monthlies in the past has been \$3.00 and \$4.00 a year, and they were to be found only in the more pretentious homes. Our offer furnishes a help to all families, no matter how modest their means, to keep in touch with the greatest minds of the world, as The Cosmopolitan has today the strongest regular staff of any existing periodical.
