## chase Horse Meat by the Wholesale.

There appears to be something in the report that range houses are to be slaughtered and used for meat packing purposes, says the Pendleton East Oregonian. Jade Switzler some days ago wrote to Pendleton On the 30th of April, John Flem. that he had contracted for the sale ing a young farmer living about 4 of his band of horses, about 5000 in number, which were to be delivered miles from Enterprise was shot from June 1 on through the sumand instantly killed by John Basim. mer. Parties in Portland com-They were neighbors and both have mented on the report, and some families. The two men fell out tried to show it to be ridiculous. But from two to three sources come statements that the same plan will be followed, especially in California, He was a traveler, and he liked where a large number of animals the United States-all but one fea- are to be sold at \$1.50 each for deture. He thought it was an impo linquent taxes, and will be bought sition to charge arbitrarily one dol- by persons who will kill them for lar for his breakfast, when he only packing purposes. The projectors wanted an egg and a cup of coffee. are said to figure that there is a profit of \$5 in each horse bought at "It,s an outrageous charge," he \$5, and in keeping which au ex-

which I eat from a mere sense of he was anxious to buy. He replied

"I want all the fat horses I can get at that price, 50 cents per hundred. I know there are lots in the country, but I will take all that are offered at that figure. And I do not mean 50 cents per hundred horses, but 50 cens per hundred pounds, for good fat horses."

At that price the range horse, weighing 850 to 900 pounds, would bring \$4,25 to \$4,50 .- Portland Sun
