Mr. Smythe says there are multitudes of people in the east anxious to come west and locate. We have a big country here and one that some time and we think in the near future, will be recognized for what it is really worth. It being situated so far from the R. GRAND JURY REPORT.

In the circuit court of the state of Oregon county of Harney. To the Hon. M. D. Clifford:

We, your grand jury most respectfully report that we have now been in session six days, and during our session, have found and returned to the court two true bills and that in addition thereto we have investigated a number of other charges and complaints that have been made before us.

We have also visited the offices of the County Clerk, Sheriff, Treasurer and also the County Jail and find the same in good condition and neatly kept.

We have not had the opportunity for lack of time to examine neither have we special knowledge necessary to a correct examination of the books of accounts of the various county offices, but have heard no complaints as to the management of the financial affairs of the county. We have concluded our labors and return thanks to your Honor and to the other officers of the court for the courtesy that has ever been extended to us during our session, and for the facility with which the business of this term of court has thus far been conducted, and most respectfully ask to be discharged for the term.
