An Engineer's Nerve.

UTICA, N. Y. July 20.-The passengers on the Montreal express on the Adirondack & St. Louis rail road, due last evening at Utica, had a thrilling experience. As the train rounded a curve on a heavy down grade, seven miles above the chain of lakes, where ex-President Harrison is spending the summer, Engineer Wm. Brassel, of Utica, saw 500 feet in front of him, a trestle a quarter of a mile long enveloped in flames. The flames were shooting 20 feet above the track. It was impossible to stop the train before the trestle was reached. With lightning like decision the engineer threw the throttle wide open. The train rushed swaying through the flames and stopped safe on the other side. Before it came to a standstill the burning trestle fell in a heap of ruins on the rocks 50 feet below. There were 75 passengers on the train.

LAWEN, Oreg., July 21, 95.

ED. HERALD: Haying in full blast here, crops light and more fox tail than usual.

O. W. Porter and family are visiting our neighborhood.

Miss Gertrude Carter of California is here visiting friends.

This locality is and has been the scene of quite a commotion for the past two days, caused by the arrest of supposed cattle thieves and chasing others. There has been quite a number of cattle brands changed, also ear marks, cutting off dolaps and horns. But unfortunately we find no one who will own the cattle.

Geo. Sizemore and Samuel Kenyon were on a business trip to our locality today.

Mr. Peter French and crew were in our vicinity today, looking after his cattle that the brands had been tampered with.

There is work for three or four more hands haying.

The water is drying up very rapidly and stock is liable to suffer from the effect of it.

C. J. Johnson, Wm. Catterson, Fred Otley, Sitz Bro., Kelso and wife, and J. P. Dickenson are summoned to attend the preliminary trial of the Jordan boys the 22nd.

Beware of Ointments for Catarrh that contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used, except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c. per bottle.
