Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She then sent to me to see if I had anything to help her. I sent her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoea but kept getting worse. I sent him this same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful remedy.—Mrs. Mary Sibley, Sidney, Mich. For sale by all druggists.

Last summer one of our grand children was sick with a severe bowel trouble. Our doctor's remedies had failed, then we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which gave very speedy relief. We regard it as the best medicine ever put on the market for bowel complaints.—Mrs. E. G. Gregory, Fredericktown, Mo. This certainly is the best medicine ever put on the market for dysentery, summer complaint, colic and cholera infantum in children. It never fails to give prompt relief when used in reasonable time and the plain printed directions are followed. Many mothers have expressed their sincere gratitude for the cures it has effected. For sale by all druggists.

NORTHWESTERN FIRES.

Flames Raging in the Forests of Washington.

OLYMPIA, Wash., Aug. 10.—Only meagre details have been received from the burning district west and south of here. The wires went down yesterday and the only method of communication is by messenger. The city is covered with dense smoke and a shower of fine ashes is falling continually. Thus far two deaths have been reported. Lars Peterson and Thomas White were riding on a logging train near Shelton when the train went through a burning trestle. The engineer and fireman escaped but Peterson and White were burned in the wreck.

Simpson's logging camp was burned out completely and the draught horses were saved only by the heroic efforts of the men who rode them through the flames. The men saved their clothing and personal property by digging trenches. All logging railroads are blocked by falling timbers. Heavy winds have fanned the fire through the dry timber till the roaring of the flames is heard miles away, and the quick successive falling of the giant trees resembles the noise of battle.

SKY OBSCURED BY SMOKE.

PORTLAND, Or., Aug. 10.—Forest fires have prevailed in the mountains throughout the northwest for two weeks past and the atmosphere has become so smoky as to almost entirely obscure the sun at midday. In the Nehalem valley much timber has been destroyed.

FIRE IN CHEHALIS COUNTY.

MONTESANO, Wash., Aug. 10.—A destructive fire is sweeping over the eastern part of Chehalis county. Fences, buildings and growing crops have been destroyed. The damage cannot yet be estimated but will be large. The loss falls on many small farmers who have lost practically all they possessed.—Ex.

Some one has proposed that an attempt be made to signal to Mars with a flag, but an astronomer comes forward with a statement that the flag would have to be as large as Ireland with a pole 500 miles long. That will dispose of the proposition to signal to the planet, but it may give Senator Brice an idea about the size of a banner under which to launch his presidential boom in order to attract attention to it.
