

Reunited After Forty Years.

WINAMAC, Sept. 6.—By the accidental dropping of a diamond ring at the station here yesterday a husband and wife who had been separated 40 years were reunited and left together for Boston.

Dr. Charles S. Mott, of Boston, stepped from the train to leave a dispatch. As he walked toward his car, a lady leaned from the window of another car and asked the doctor to hand her a diamond ring which had just slipped from her finger and was lying at his feet.

Dr. Mott picked up the ring and the inscription on the inside read, "Charles Mott, to Vernal Burns." She cried out, "Charles, my husband!" Dr. Mott clasped the wife who had fled from him in anger 40 years before.

In 1855, Dr. Charles Mott was a well known young physician of Boston. He fell in love with Miss Vernal Burns, of South Canterbury Conn., and they were married. Mrs. Mott was jealous. One stormy night, when her husband had been detained very late by a lady patient the crazed wife determined to stand it no longer and stated out in the storm, leaving no trace of her whereabouts. For years the doctor searched for his wife. He was on his way to New England to revisit the scenes of his childhood when the happy accident occurred which reunited him to his long lost wife.—Statesman.

Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She then sent to me to see if I had anything to help her. I sent her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoea but kept getting worse. I sent him this same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful remedy.—Mrs. Mary Staley, Sidney, Mich. For sale by all druggists.

Last summer one of our grand children was sick with a severe bowel trouble. Our doctor's remedies had failed, then we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which gave very speedy relief. We regard it as the best medicine ever put on the market for bowel complaints.—Mrs. E. G. Gregory, Fredericktown, Mo. This certainly is the best medicine ever put on the market for dysentery, summer complaint, colic and cholera infantum in children. It never fails to give prompt relief when used in reasonable time and the plain printed directions are followed. Many mothers have expressed their sincere gratitude for the cures it has effected. For sale by all druggists.
