Local News.

School is increasing in numbers every week.  
 -P. F. Stenger has gone east with horses.  
 -Steve Woods, of Silvies, was in town one day last week.  
 -J. T. Ware, of the Narrows, gave us a visit on Monday last.  
 -Ted Hayes visited Burns one day last week, in company with Wm Clark.  
 -Mrs. Emma Vaughn will return to Burns in company with Sheriff Gittins.  
 -Miss Julia Loggan has charge of the primary department of the Harney school.  
 -H. S. Morris, a resident of Silver Creek, is in town in company with W. H. Hogan.  
 -Frank Jackson and his brother George are now enrolled on the Burns school register.  
 -We are informed that Thos. Walls, of Catlow, has gone East with a bunch of cattle.  
 -Mr. Henry Hamilton, who for years conducted a livery barn in Prineville, has been in our town for some time.  
 -Mr. John Rohrman, a brewer, who is now running the Locher brewery, is said to be making a fine quality of beer.  
 -E. H. King paid us a visit the latter part of last week. Mr. King's sales of lumber this year amounted to 800,000 feet.  
 -The delarte class organized here by Mrs. Hancock, still continue to meet at the school house, Thursday evenings.  
 -J. O. Cawfield is strongly urged by his friends to become a candidate for county assessor. Mr. Cawfield is a democrat.  
 -We presume the most of the liquors of L. Woldenburg have now arrived and in a few days Burns will have a wholesale liquor house.  
 -The beer made at the Locher Brewery, by John Rohrman, is first class. Lovers of the beverage have only to take a glass to be convinced.  
 -We hear the rumor that Thos. Dodeon, democrat, and Win Waters republican, think of coming before their respective conventions for the office of assessor.  
 -Messrs Joe Wooley's, Orville Rusk's and Nel. Parker's freight teams came in Saturday evening, loaded for L. Woldenburg. N. Brown and Chas. Voegtly.  
 -Parties desiring to purchase Christmas goods, candies etc., are solicited to call on Miss Sallie Hudspeth. She received a stock of Christmas goods last Monday.

-There will be a Xmas tree.  
 -No end of Christmas goods at the stores.  
 -L. Woldenburg's family are now residents of our town.  
 -Eight or ten of the P. L. S. employes were in town last Sunday.  
 -Chairs of all patterns and descriptions at the hardware store of Chas. Voegtly. 13-11  
 -Notice adv. of John Rohrman, Johnson Cash Store, Ah Sing, and Militia dance, in this issue.  
 -It is determined by the populist party of this county, so we are informed, to run a full county ticket.  
 -New goods at the Johnson store, now under control of Henry Canaday. Just as cheap as ever or cheaper. Call and examine goods and get prices, and if suited buy.  
 -Mr. and Mrs. William Smith's baby was attacked with inflammation of the bowels the latter part of last week, but we are informed it is now out of danger.  
 -Jorgensen has the finest and best lot of goods that ever came to Burns; go and see for yourself. He is also taking Cabinet Photos. at \$3 per dozen. Do not forget to go and see what he has on hand.  
 -Quite a number of pupils are being added to the school register among whom, several children of A. S. Swain, the two Misses Zeigler the son of Mrs. May Oyerton, and others.  
 R. J. McKinnon has rented the residence of Mrs. Mary Caldwell and his family will take possession in a few days. The two daughters, Elsie and Essa, will be added to the Burns school roll.  
 -Thomas Goldworthy who shot and killed John Preston at the Virtue mine in Baker county, was tried on the charge in the Baker city circuit court which convened on Monday the 25th of Nov. and was found guilty of manslaughter.  
 -Prof and Mrs. Nellie Grace are now wielding the pen and running the "News" for the populist party. The followers of General Weaver, who live in this county, may congratulate themselves in having obtained the services of these two parties, old in news paper work, aggressive and determined workers in any cause they undertake.  
 -M. H. Brenton received a letter a day or two since from James Edwards who left here in July on a tour of insurance. He left in a conveyance belonging to Mr. Brenton and hired of him for his trip. He wrote parties here some time since that he would be back here by Thanksgiving. He now writes that he has had a severe attack of pneumonia and is not able to return at this time, but proffers to pay Mr. Brenton for the cart and horse he hired of him.  
 -Skunks are reported in the Lakeview Examiner as being quite numerous in that place, the citizens are killing them in all parts of the town. This proves the Lake county skunks to be ahead, in intelligence, knowing holidays to be near, and having plenty of perfume, and to spare, they are voluntarily dispensing the odor to that people. Whether the citizens like it or not doesn't "cut any ice" with the skunks, when a new perfume is put on the market people must take it, like a new fashion.

-Joe Gill, accompanied by Geo. Smith, took a trip to Diamond the latter part of last week returning Monday. Joe brought back a span of good horses to add to the number already in his stable.  
 -We are informed that Mr. L. Foester has had returns from three specimens of ore or rock sent from his mine on Trout Creek, for assay. One is worth \$40 a ton, the second \$300, and the third \$700 a ton.  
 -Mr. Adolph Tupker is an invalid at this time. He is looking badly and hardly able to be around. His back is effected in some way. We hope a change for the better will soon occur, and Mr. T. be again again able to perform his daily duties.  
 -Superior Judge Murphy, Dec. 6, denied Theodore Durrant motion for a new trial. He sentenced him to be hung for the murder of Blanche Lamont, but fixed no date for the execution. The prisoner's attorneys gave notice of an appeal to the Supreme court.  
 -Eggs are in demand in this town at the present time. What's the matter with the old hens? Have they caught the loafing proclivity from the average Burns site, and think, as the Burns loafer thinks, that they should be fed because of their beauty and shrewdness?  
 -W. H. Hogan informs this office that J. C. Garrett is in Texas, and has not yet made a sale of his horses, and the citizens of Silver Creek are going to have a Christmas tree, the proceeds of which will be sent to our friend Garrett, to pay his expenses home. The editor of THE HERALD is solicited to be present and make a political, religious or Christmas tree speech, just as he likes, but is kindly advised to leave his false teeth at home.  
**Harney Scribbling.**  
 Political talk has been ripe of late.  
 Geo. Duncan, of Paisley, was in town several days last week, visiting his niece, Mrs. W. T. Hill, and daughter, Mrs. Jesse Bunyard.  
 News in and about Harney for the past week has been unusual dull.  
 Mr. E. H. King will occupy his residence in town this winter. Mr. J. H. Loggan will look after Mr. K's interests at the mill.  
 Mr. Chas. Jones has just completed a new and commodious addition to his residence on Cow Creek.  
 The Harney Literary Society is to give a grand entertainment and ball New Years night.  
 The enrollment of the Cow Creek school has increased 30 per cent the past week.  
 One would think from the number of literary entertainments announced for the coming month, that Harney was in the center of the literary work. Well we are not far from there. When it comes to literary work, Harney will be found heading the van. Don.  
**From School District No. 17.**  
 School in Dist. 17, or the George Dist., reopened last Monday after a weeks vacation, with 14 pupils in attendance. The average attend-

ance for the week was 13. The exercises Friday afternoon, participated in by pupils and teacher, were speaking by the pupils, which was very credible, and reading by the teacher. The patrons and friends of the school are cordially invited to come and take part in the exercises a week from Friday.

This district has a good, warm, comfortable school house, which is a credit to the tax-payers.
