### TROUBLE WITH APACHES

Washington, Dec. 12-The war department has received a telegram from the commanding officer at Fort Apache, A. T., saying the trouble at Cibuoul, occurred out of an attempt by Sheriff Thompson, of Globe, A. T., with a posse to enter the Indian reservation to arrest Indians who attempted to take stores from ranches, whose occupants were absent. The Indians are said to have been caught in the act, but had taken nothing, being discovered too soon.

The inhabitants are much excited and are gathered at Newton's store, at Canon creek.

A man named Boise killed the Indian whose body was found in the vicinity. He and two others gave themselves up to Lieutenant Fenton and are now on their way to Globe.

Santa Fe. Dec. 13-Francis Schlatter, "the healer," reached Santa Cruz this afternoon, 30 miles nerth of here. Passing through Taos valley on Wednesday, he was met and followed by several hundred people. At the village of Ranchitos De Teas, 500 people as sembled to greet him. He blessed handkerchiefs and treated many persons. There is great excitement here tonight over Schlatter's probable advent tomorrow.
