America's Great Danger

AN ENGLISH COMMENTARY.

Said an eminent English scientist recently: "The danger that confronts the great American people today is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national crime—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year."

You are likely to be one of the victims! How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous disorders are spreading with fearful rapidity. Among the symptoms are—Backache, Stomach, Cold, Head and Foot, Dizziness, Hot Flashes, Flushing, Sensation, Fainting, Headache, Rheumatism, Irritability of the Heart, Melancholy, Failing Memory, Palpitation, Excitation, St. Vitus' Dance, Sleeplessness, Nervous Depression, Sexual Debility, Etc., etc.

REV. C. A. CARROLL, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nervine for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' Little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration. I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nervine gave me relief, and one that would not come from any other medicine I have used."—JOHN MENCHER, Youngstown, Ohio.

Dr. Miles' Restorative Nervine is recommended in various Nervous Disorders. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Elkhart, Ind.
