The **Simplicity**, a new novel by **THOMAS HARDY**, will be ready in the December Number, 1898, and continued to November, 1899. Who ever may be one's favorite among English Novelists, it will be conceded by all critics that **THOMAS HARDY** stands foremost of a master artist in fiction, and the **Simplicity** may be expected to arouse enthusiasts not inferior in degree to that which has marked **Tribby**—the most successful story of the year. Another leading feature will be the Personal Recollections of **Joan of Arc**, by the **Sieur Louis de Gonz. Her Page and Secretary**, under which guise the most popular of living American magazine writers will present the story of the Maid of Orleans. In the January Number will appear a dramatic illustration paper on **Charleston and the Carolinas**, the first of a series of Southern Papers. Northern Africa is attracting more attention at any other time since it was the seat of empire. The next volume of **HARPER'S MAGAZINE** will feature four illustrated articles on this region, and three of them will depict the present life there. **RULAN RALPH** will prepare for the **MAGAZINE** a series of eight stories, depicting typical phases of Chinese Life and Manners. Besides the long stories, there will begin in the January Number the first Chapter of **A Three Part Novellet**, by **RICHARD HARDING DAVIS**—the longest work yet attempted by this writer. Complete short stories by popular writers will continue to be a feature of the **MAGAZINE**.

**HARPER'S WEEKLY** is a pictorial history of the times. It presents every important event promptly, accurately, and exhaustively in illustration and descriptive text of the highest order. The manner in which, during 1894, it has treated the Chicago Railroad Strike and the Sino-Japanese War, and the account of light it was able to throw on Korea the instant attention was directed to that little-known country, are examples of its almost boundless resources. **Juan Raulo**, the distinguished writer and correspondent, has been sent to the seat of war, and has joined by C. D. Weldon, now for many years resident in Japan, who has been engaged to co-operate with Mr. Raulo in sending **HARPER'S WEEKLY** exclusive information and illustrations.

**BIG PROFITS ON SMALL INVESTMENTS.**

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful Speculation in Grain Provisions and Stock.  
**\$10.00 FOR EACH DOLLAR INVESTED CAN BE MADE BY OUR Systematic Plan of Speculation** originated by us. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two dollars up to \$50,000 or more by those who invest a few thousand.  
 It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.  
 Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.  
 WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money making counters. ALL FREE. Our manual explains margin trading full. Highest references in regard to our standing and success. For further information address
