## America's Great Danger

### AN ENGLISH COMMENTARY.

Said an eminent English scientist recently: "The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said nation-crime—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year."

You are likely to be one of the victims! How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms, are—Backache, Blisters, Cold Hands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholy, Failing Memory, Palpitation, Rheumatism, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Fits, etc.

REV. C. A. CARROLL, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nerve for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration, I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nerve gave me relief, and one thousand dollars would not cover the good it has done me."—JOHN MINCHER, Youngstown, Ohio.  
Dr. Miles' Restorative Nerve is unequalled in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Elkhart, Ind.

## NEW YORK WORLD.

The Twice-a-week Edition of the New York World has been converted into the Thrice-a-week. It furnishes 3 papers of 6 pages apiece, or eighteen pages every week, at the old price of One Dollar a year. This gives 156 paper a year for One Dollar and every paper has 6 pages eight columns wide or 48 columns in all. The Thrice-a-week World is not only much larger than any weekly or semi-weekly newspaper, but it furnishes the news with much greater frequency and promptness.
