Chairs of all patterns and descriptions at the hardware store of Chas. Voegtly. 13-11

There is some talk of organizing an A. P. A. in Burns.

A. S. Swain moved his family back to the ranch last Saturday.

I. S. Geer presided at the republican county convention, Wilmar Dewit Sec'y., and O. J. Darst asst. sec'y.

Henry Richardson, delegate to the state convention, left here Friday for Portland, where the convention meets tomorrow.

R. D. Scheiber, druggist, hailing from Baker City, has accepted a position in our town in the drug store of H. M. Horton.

A. L. Lamos, a musician, recently arrived in Burns, from Baker City. He thinks of getting a class here, and remaining for some time.

If the republican nominees for this county so desire, we will run their ticket until election. We have no kick at any good man, and are willing for all such candidates to have a fair show. The same offer we make to the populists.

C. H. Leonard, who has held a position as teacher in the State Normal School at Drain for some time, arrived in our town last Thursday on the Ontario stage. Mr. Leonard will make his home here, if he can get employment in his profession.

J. J. Pierson, photographer at Prineville, was married one day last week to a widow lady living in that place, we heard the name but have forgotten it. Mr. Pierson is well known here and congratulations fall thick and fast, in which THE HERALD joins.

The county republican convention met here last Friday and nominated the following ticket: For Clerk, Harrison Kelley; Sheriff, A. Gittings; Assessor, Win Waters; Treasurer, J. C. Welcome; School Supt., Chas. Newell; Commissioner, C. A. Bonnett; Surveyor, J. H. Neal; Coroner, Austin Goodman. District nominations, Burns District, Justice E. N. Jamesen; Constable, J. M. McKissick.

In this issue is a denial, written over his signature by A. J. McKinnon, of the report now in circulation in the eastern part of this county, of his having already selected his deputy, in case he is elected to the office of sheriff. Mr. McKinnon emphatically asserts the report is altogether false. And the individual named would positively decline if the position were proffered him.

Lagrippe is doing more damage in our midst than politics.

A son of D. L. Shirk paid our town a visit the first of this week.

Mr. and Mrs. Ed Stauffer spent several days in Burns since our last issue visiting friends.

Mr. and Mrs. J. C. Garrett spent a pleasant week visiting friends in Burns, leaving here last Monday morning.

We see in the Malheur Gazette the nomination of M. N. Fegly by the populist county convention for the office of representative.

We see in the Times that Miss Jessie McGowan is expected to leave here in a day or two for her home in Independence.

The candidates have not put up any cash yet at this office. Come, boys, we do not care anything for money, but we love the comforts money buys.

Democrats and republicans seem to be pretty well satisfied with their respective tickets, but it is a safe proposition to bet that lots of scratching will be done on the day of the election, as is usual in county elections.

Ann, the 7-year-old daughter of Mr. and Mrs. Wm Skinner died Sunday morning of scarletina. She was a lovable child, and her parents mourn their loss greatly. They have the sympathy of the entire community.

The above taken from the Dallas Observer gives the sad intelligence of the death of a little girl born in this county. The family resided here for ten years, leaving here and moving to Dallas last September. The bereaved family have the sympathy of many friends in this county.

The Mary Dawphit ranch located at the sink of Prater creek is for sale. Price \$500. This is a good ranch and worth a great deal more than the price asked for it. Call at this office or on John Martin for further information.

New goods at the Johnson store now under control of Henry Canaday. Just as cheap as ever or cheaper. Call and examine goods and get prices, and if suited buy.

Jorgensen has the finest and best lot of goods that ever came to Burns; go and see for yourself. He is also taking Cabinet Photos. at \$3 per dozen. Do not forget to go and see what he has on hand.

The Weekly Oregonian and THE HERALD for only two dollars a year. Subscribe or renew at once and secure your county paper and the most newsworthy published in this state. Every intelligent reader cannot help but see the advantage of getting two papers for the price of one. We hope our subscribers will see the point and give us a call.

Indian war veterans and widows of deceased veterans who desire the passage of the bill granting them pensions, which is now before congress, can send their address, company and regiment, character of service, name of Company, and regimental officers to Waters & Gowen, who will forward same to Capt. T. A. Wood, Portland, Oregon, free of charge. This is of interest to all who served in any Indian war between the years of 1848 and 1859, and should be attended to at once.

The Canyon-Burns mail will be tri weekly after the first of May.

J. A. McCune and Newt Hoover, paid our town a visit since our last issue.

Grant county has the following nominees on the republican ticket: Clerk, J. A. Powell; sheriff, J. B. Johnson; treas., N. B. Maxey; assessor, J. B. Titus; school supt., A. E. Cobb; commissioner, Al Porter; coroner, Dan Morrow.

J. W. Dickenson, a bachelor, residing on Silvies river seven miles north of Burns, died of pneumonia last night at 8 o'clock. Mr. Dickenson is an old resident of this county, and his many friends, especially his near neighbors, bitterly mourn his loss. He was a good citizen and a kind neighbor. His remains will be interred in the Burns cemetery tomorrow at 1 o'clock p. m.

Populist delegates to the county convention to be held here Thursday, the 16th, as far as we have heard from, are the following: Burns precinct, H. Cheatham, John Sweitzer, L. B. Culp, D. L. Grace, B. R. Witzell, A. Dunn and Geo. Hagey. Harney, J. Greenlee, J. H. Loggan, Will Crawford and Jasper Davis. Poison Creek, Mell Fenwick, Lon. Fleming and Jack Wilson. Island, Jas. Dalton, E. Casebear and Manny Marrs. Narrows, Al O'Conner, Henderson Ellicott and A. Rieman. Curry, Richard Miller. Crane Creek, David Cary. Lawen, Fred Otley and Wm. Catterson.

Cupid gets his work "in," in spite of all opposition. Not the wide expanse of hereditary educational aphorisms inculcated across the great oceans, seas, gulfs and bays stand as a preventive. A native of Greece and of that great city Athens, from whence has sprung so many great and wise statesmen and philosophers, and a native of free America, Burns, Harney county, Oregon—Burns, a place noted for talent and "cussedness"—approached the hymeneal altar last Sunday, and were united, by Justice Byrd, in that compact contract that binds two hearts that beat as one, for life. The contracting parties were Edward Jordan, of Burns, and Florence Hendricks, formerly of Greece. THE HERALD extends congratulations.

To Whom it May Concern.

I want it distinctly understood that I have, as yet, made no selection of a person to fill the position of deputy in the event of my being elected Sheriff. Should the election result in my favor then I shall endeavor to make such a selection as will meet the approval of the members of the party to which I owe my nomination.

A. J. MCKINNON.

During 1896 we will sell closer than ever, and no honest competitors will be allowed to do more for you than ourselves. We are here for your business, we must have it, if honest count, weight, and treatment and low prices will do it. Call or write us.
