MINNESOTA MURDERER.

Duluth, Minn., April 17—After a search of nearly two years, during which time at least a dozen suspects have been arrested, A. A. Austin, who enticed Lena Olsen from Minneapolis to Duluth and then brutally murdered her for her money, throwing her body into Lake Superior, has been caught. He was arrested by a Minneapolis detective in Seattle yesterday where he lived under the name of James Alsop.

Chief of Police Smith of Minneapolis, who has been working up the case, arrived here today and requisition papers will be secured. The handwriting of A. A. Austin, found on a hotel register here, tallies exactly with that of Alsop. Alsop has been involved in a number of questionable deals heretofore. He was a warm friend of Harry Hayward, the famous Minneapolis murderer, and in his valise was found a handkerchief marked with Hayward's name.

THE PRISONER SUICIDES.

Seattle, Wash., April 17, 10:30 p.m.—James E. Alsop has just committed suicide in jail here. Alsop was wanted in Minneapolis for the murder of a girl named Oleson.

America's Great Danger

AN ENGLISH COMMENTARY.

Said an eminent English scientist recently: "The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national crime—of overwork. The mad rush of wealth is set at a killing pace, and thousands fall by the way every year.

You are likely to be one of the victims. How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms, are—Backache, Biliousness, Cold Hands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholy, Failing Memory, Palpitation, Echinism, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Fits, etc. REV. C. A. CARROLL, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nervine for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration, I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nervine gave me relief, and one third of a dollar's worth not cover the good it has done me."—JOHN MINCHER, Youngstown, Ohio.

Dr. Miles' Restorative Nervine is unequalled in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Elkhart, Ind.

How to Prevent Croup.

Croup is a terror to young mothers and to post them concerning the cause, first symptoms and treatment is the object of this item. The origin of croup is a common cold. Children who are subject to it take cold very easily and croup is almost sure to follow. The first symptom is hoarseness; this is soon followed by a peculiar rough cough, which is easily recognized and will never be forgotten by one who has heard it. The time to act is when the child first becomes hoarse. If Chamberlain's Cough Remedy is freely given all tendency to croup will soon disappear. Even after the croupy cough has developed it will prevent the attack. There is no danger in giving this remedy for it contains nothing injurious.

Not mention Catarrh that contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
