The anti McKinley republican are giving a good imitation of the boy who whistles to keep his courage up.

With every protected trust. It's now McKinley or bust.

It should not be difficult for the democratic party to find a Wellington to kick the saw dust out of that stuffed republican Napoleon.

Perhaps Quay and Platt think the bottom of Mark Hanna's barrel will be reached by the time the convention meets and that they can then get a few job lots of delegates at bargain prices.

Republicans who charge each other with treachery should be given every assistance towards proving the charge.

Czar Reed must be beginning to entertain doubts of whether he can even retain his hold on his Congressional district.

If the Quay-Platt-Reed combine can run down all the cabinet promises made they can easily make a big break in the McKinley ranks.

The value of the democratic presidential nomination increases with McKinley's chances for getting the republican nomination.

When Senator Tillman declared himself to be the boss of the South Carolina democrats he took the first step—a long one—towards the loss of his influence with democrats.

The queerest thing of the day is the inability of some people to tell the difference between popular enthusiasm and a sentiment manufacturer.

tured by a liberal use of the fat fried out of expectant manufacturers.

Why should any republican object to McKinley's straddle of the financial question when their national convention is going to do the same thing?

Senator Cullom isn't banking on his resemblance to Lincoln as much as he was before Napoleon McKinley jumped on him.

In his role of manager of an anti-boss campaign Mark Hanna has become the biggest boss of them all.

Senator Hill spoke the democracy when he said: "No matter what may be in store for us in the next campaign, come victory or defeat, come sunshine or shadow, come weal or woe. I will be found working in behalf of whoever may be the democratic candidate, and in behalf of whatever may be the democratic platform."

Hon. Lemuel Eli Quigg did well to hold on to that seat in the house; he is no longer an editor.

Why don't the republicans get rid of Teddy Roosevelt by nominating him for government of New York this year?

Not for what they have done, but for what they promise to do, are republican congress asking for reelection.

There are "suckers" in politics, as well as in other lines. The various "favorite sons," for instance.

Speaker Reed and Senator Allison are not half as anxious for an early adjournment of congress as they were

During the winter of 1893, F. M. Martin, Long Reach, West Va., contracted a severe cold which left him with a cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlain's Cough Remedy which relieved me almost instantly and in a short time brought about a complete cure." When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief. It has been in the market for over twenty years and constant-

America's Great Danger

AN ENGLISH COMMENTARY.

Said an eminent English scientist recently: "The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national crime—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year.

You are likely to be one of the victims! How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms, are—Backache, Biliousness, Cold flands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholy, Failing Memory, Palpitation, Rheumatism, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Fits, etc. REV. C. A. CARROLL, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nerve for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration, I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nerve gave me relief, and one thousand dollars would not cover the good it has done me."—JOHN MINCHER, Youngstown, Ohio.

Dr. Miles' Restorative Nerve is unequalled in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Elkhart, Ind.
