Communicated.

CANYON CITY, May 11, '96.

Died, in this city Monday morning May 4, at 3 o'clock, of acute congestion of the brain and spinal cord, Mrs. Annie Lahey, daughter of Mrs. T. M. Britten, aged 24 years, 3 months and 12 days.

The funeral took place the following Tuesday afternoon from the Episcopal church and was largely attended, many of the business houses closing, and the circuit court adjourning for the occasion. The beautiful and impressive burial ceremony of the Episcopal church, of which the deceased as a devout and consistent member, was read by Mrs. Maud Bennett, daughter of Mrs. Dr. Horsley; and the large floral offering contributed by the ladies of Canyon City for the occasion was very elegant and appropriate.

Although the deceased had resided in Canyon but a short time, she had made many friends as was evidenced by the large procession that followed her remains to the grave, and who have tendered their sympathy to the bereaved family.

Farewell Annie, thy troubles on earth have ceased; thou hast found here this, in the bright beyond, that peace and happiness which though longed for was denied thee here. We knew thee well for thy many virtues, thy gentleness of spirit and patience in trouble and affliction, and they shall never be forgotten; and we trust that when time shall have softened our sorrow, fond memories of thee shall afford a pleasure that will contribute to dispell and brighten the gloom that gathers 'round the soul as we approach the end of this life's journey.

MYSTERIOUS POWERS.

A Wonderful Remedy for a Wonderful Age.

Electricity is the wonder of the age and the mode of treatment is the acme of perfection. It penetrates the secret ambush of disease and exterminates it, root and branch, forever. It removes the wretched symptoms of loathsome maladies and averts its dreadful effects. It cures many of the most hopeless cases and relieves pain that every known remedy has failed in, and can be substantiated by the evidence of hundreds who have been cured by Dr. Darrin. We give below a long list of cures performed in Idaho, Oregon and Washington:

Emma Hermo, Boise, Idaho, inflamed eyes, restored.

Mrs. W. C. Denton, Boise, Idaho, cough and lung trouble, cured.

A. Finley, Granite, Or., liver complaint, dyspepsia, sour stomach and constipation, cured.
