## St. Louis Gradually Resuming a Business Aspect.

St. Louis, May 30.—By slow degrees St. Louis is recovering from the business paralysis caused by the awful storm. Some of the principal thoroughfares that were choked with wreckage have been opened and a few street-car lines started, but the telephone system is practically useless. Side streets through the storm-wrecked district are still in a critical condition. Traffic is in many places impossible. It will require weeks to restore some of the streets to their normal condition.

The number of dead is hourly growing greater as the work of clearing the ruins progresses.

It was said by the officials at the city hospital, the day after the storm, that no one was crushed in the ruins. They are now beginning to change their minds. It has been ascertained that 50 to 75 patients and four or five employes are missing. Until this morning practically no work toward exploring the ruins had been done, but a large force of men were put to work there at daylight today, in deference to the loud demands of people who had friends at the hospital, not heard from since the storm.

Father Kenrick, of St. Vincent's church, who has been attending patients at the hospital for years says that 80 bodies will be taken out, if not more.

The demand for houses and flats by those rendered homeless by Wednesday's tornado, is great, and real estate men think there are not sufficient vacant houses in St. Louis to supply the needs of the people. It is estimated that 7000 homes were so damaged as to render them uninhabitable. Real estate agents say the number of vacant houses and flats at the time of the storm would not exceed 6000.

### An Affidavit.

This is to certify that on May 11 I walked to Melick's drug store on a pair of crutches and bought a bottle of Chamberlain's Pain Balm for inflammatory rheumatism which had crippled me up. After using three bottles I am completely cured. I can cheerfully recommend it—Charles H. Wetzel, Sunbury, Pa.

Sworn and subscribed to before me on August 10, 1894.—Walter Shipman, J. P. For sale at 50 cents per bottle by druggists.

## o mnt. w. arrh that contain mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system, when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by R. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c. per bottle.

Those who are troubled with rheumatism should try a few applications of Chamberlain's Pain Balm, rubbing the parts vigorously at each application. If that does not bring relief dampen a piece of flannel with Pain Balm and bind it on over the seat of pain and prompt relief will surely follow. For sale by druggists

During the winter of 1893, F. M. Martin, Long Reach, West Va., contracted a severe cold which left him with a cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlain's Cough Remedy which relieved me almost instantly and in a short time brought about a complete cure." When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief. It has been in the market for over twenty years and constantly grown in favor and popularity. For sale at 50 cents per bottle by druggists.

## America's Great Danger

AN ENGLISH COMMENTARY.

Said an eminent English scientist recently: "The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national crime—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year."

You are likely to be one of the victims!

How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms, are—Backache, Bloniness, Cold Hands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholy, Failing Memory, Palpitation, Rheumatism, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Fits, etc.

REV. C. A. CARROLL, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nerve for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration, I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nerve gave me relief, and one thousand dollars would not cover the good it has done me."—JOHN MINCHER, Youngstown, Ohio.

Dr. Miles' Restorative Nerve is unequalled in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Eikhart, Ind.
