

If the delegates to the Pittsburg convention were as strong in votes as they are in mind the Prohibitionists would be a factor in the presidential campaign.

Eugene Debs has refused to be come a "labor" candidate for president.

A newspaper headline says "Platt sticks to Morton." Nothing strange about that. He hasn't anybody else to stick to.

There appears to be a disposition on the part of the German government to get a little "gay" in gloating over the treatment of Mr. Louis Stern of Kissengen.

That \$75,000,000 River and Harbor bill was prepared with the idea that principles are to be shelved when an appropriation can be had President Cleveland will hardly allow such an excellent opportunity for the use of a veto to go by.

Perhaps Quay succeeded in making Platt's peace with McKinley. At any rate something has made Platt stop abusing the fat frying candidate.

The fervency with which the Czar swore allegiance to the Russian flag is duplicated by the "enthusiasm" expressed by McKinley by certain republicans.

Tom Platt fired a load of honor shot into Waener Miller that must have hurt, if Miller's conscience hasn't entirely evaporated.

Well, well! So Whitelaw Reid wants to be vindicated by the St. Louis convention. What democratic luck it would be if he was made the tail of McKinley's ticket. His being on the Harrison ticket gave Cleveland and Stevenson thousands of votes they would not otherwise have gotten.

Mark Hanna says that having named the presidential candidate he is perfectly willing that the convention should pick out the man for second place. How's that for modesty?

Col. Fred Grant is also among those who have already called upon McKinley to remind him that they hope for something.

The crowning of the Russian Czar and the uncrowning of Platt, the republican boss, came close together.

America's Great Danger

AN ENGLISH COMMENTARY.

Said an eminent English scientist recently: "The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national crime—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year.

You are likely to be one of the victims! How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms, are—Backache, Biliousness, Cold Hands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholy, Failing Memory, Palpitation, Rheumatism, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Fits, etc.

Rev. C. A. CARROLL, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nervine for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration, I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nervine gave me relief, and one thousand dollars would not cover the good it has done me."—JOHN MINCHER, Youngstown, Ohio.

Dr. Miles' Restorative Nervine is unequalled in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Elkhart, Ind.
