

Help... Nature

Babies and children need proper food, rarely ever medicine. If they do not thrive on their food something is wrong. They need a little help to get their digestive machinery working properly.

will generally correct this difficulty. If you will put from one-fourth to half a teaspoonful in baby's bottle three or four times a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.

A Minister's Good Work.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost loopy flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said 'No'. I went home and brought him my bottle and I gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured." For sale by H. M. Horton, Burns; Fred Haines, Harney City.

A Physician's Testifies

"I have taken Kodol Dyspepsia Cure and have never used anything in my life that did me the good that it," says County Physician Geo. W. Scripps of Hall County, Ga. "Being a physician I have prescribed it and found it to give the best results. If the food you eat remains undigested in your stomach it decays there and poisons the system. You can prevent this by dieting but that means starvation. Kodol Dyspepsia Cure digests what you eat. You need suffer from neither dyspepsia nor starvation. The worst cases quickly cured. Never fails. City Drug Store, H. M. Horton, prop; Fred Haines, Harney.

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.
There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.
Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At drug stores in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention this paper.

The Children's Friend.

You'll have a cold this winter. Maybe you have one now. Your children will suffer too. For coughs, croup, bronchitis, grip and other winter complaints One Minute Cough Cure never fails. Act promptly. It is very pleasant to the taste and perfectly harmless. C. B. George Winchester, Ky., writes "Our little girl was attacked with croup late one night and was so hoarse she could hardly speak. We gave her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup." City Drug Store; Fred Haines, Harney.

"Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach," says O. P. McHolliday, of Deming, Ind. "His bowels would move from five to eight times a day. I had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house and gave him four drops in a teaspoonful of water and he got better at once." Sold by H. M. Horton, Burns; Fred Haines, Harney.
