

## KICK A DOG

Kick a dog and he bites you.  
He bites you and you kick him.  
The more you kick the more  
he bites and the more he bites  
the more you kick. Each  
makes the other worse.

A thin body makes thin  
blood. Thin blood makes a  
thin body. Each makes the  
other worse. If there is going  
to be a change the help must  
come from outside.

Scott's Emulsion is the right  
help. It breaks up such a  
combination. First it sets the  
stomach right. Then it en-  
riches the blood. That  
strengthens the body and it  
begins to grow new flesh.

A strong body makes rich  
blood and rich blood makes a  
strong body. Each makes the  
other better. This is the way  
Scott's Emulsion puts the thin  
body on its feet. Now it can  
get along by itself. No need  
of medicine.

the Trade Mark of Scott's  
Emulsion and is on the  
wrapper of every bottle.

**A Minister's Good Work.**  
"I had a severe attack of bilious  
colic, got a bottle of Chamberlain's  
Colic, Cholera and Diarrhoea Remedy,  
took two doses and was entirely  
cured," says Rev. A. A. Power,  
of Emporia, Kan. "My neighbor  
across the street was sick for over a  
week, had two or three bottles of  
medicine from the doctor. He used  
them for three or four days without  
relief, then called in another  
doctor who treated him for some  
days and gave him no relief, so dis-  
charged him. I went over to see  
him the next morning. He said  
his bowels were in a terrible fix,  
that they had been running off so  
long that it was almost bloody flux.  
I asked him if he had tried Cham-  
berlain's Colic, Cholera and Di-  
arrhoea Remedy and he said 'No'.  
I went home and brought him a  
bottle and gave him one dose; told  
him to take another dose in fifteen  
or twenty minutes if he did not find  
relief, but he took no more and was  
entirely cured." For sale by H.

**A Physician's Testifies.**  
"I have taken Kodol Dyspepsia Cure  
and have never used anything in  
my life that did me the good that  
did," says County Physician Geo.  
W. Scroggs of Hall County, Ga.  
"Being a physician I have prescribed  
it and found it to give the best  
results." If the food you eat remains  
undigested in your stomach it de-  
cays there and poisons the system.  
You can prevent this by dieting but  
that means starvation. Kodol Dys-  
pepsia Cure digests what you eat.  
You need suffer from neither dys-  
pepsia nor starvation. The worst  
cases quickly cured. Never fails.

### Grant County News.

From Canyon City Eagle.

P. L. Hess, a respected resident  
of the John Day valley, died at the  
family home in the upper John Day  
valley last Sunday night of heart  
failure, being found dead in his bed  
by his family Monday morning. He  
was an aged man, having passed  
his eightieth year, though he had  
been in excellent health, and his  
death was not expected at this time.  
The funeral took place at Prairie  
City Tuesday, being conducted by  
Rev. E. Hayes, of John Day.

Homer Smith returned Saturday  
from Bowling Green, Missouri,  
where he was called some two  
months ago on account of the serious  
illness of his mother, who died  
on November 10th after lingering  
illness. Mr. Smith reports the portions  
of Missouri which he visited as having suffered greatly from the  
drought during the past summer,  
and from the standpoint of crops,  
that part of his home state is in the  
worst condition he ever saw before.

who blames the printer, because  
it wouldn't work.

The man who gets the business,  
pulls a long and steady pull, and  
keeps the local papers from year  
to year quite full.

The man who plans his adver-

ful way, and keeps forever at it, is  
sure to make it pay.

Cure. It relieved her immediately  
and she went to sleep. When she awoke  
next morning she had no signs  
of hoarseness or croup." City Drug

**Over-Work Weakens  
Your Kidneys.**

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through  
your kidneys once every three minutes.

The kidneys are your  
blood purifiers, they filter  
out the waste or  
impurities in the blood.

If they are sick or out  
of order, they fail to do  
their work.

Fatigue, aches and rheu-  
matism comes from ex-  
cess of uric acid in the  
blood due to neglected  
kidney trouble.

Kidney trouble causes quick or unsteady  
heart beats, and makes one feel as though  
they had heart trouble because the heart is  
over working in pumping thick, kidney-  
poisoned blood through veins and arteries.

It must be considered that only urinary  
troubles were to be traced to the kidneys,  
but now modern science proves that nearly  
all constitutional diseases have their begin-  
ning in kidney trouble.

If you are sick you can make no mistake  
by first doctoring your kidneys. The mild  
and the extraordinary effect of Dr. Kilmer's  
Swamp-Root, the great kidney remedy is  
soon realized. It stands the highest for its  
wonderful power of diminishing cases  
and in the cure of kidney trouble.

By taking a dose of  
our kidney medicine  
each day you will  
soon be well again.

You may send a  
sample bottle by mail  
free, also pamphlet telling you how to find  
out if you have kidney or bladder trouble.

The Kind You Have Always Bought

Boys the

Rev. H. Fletcher

The lost child, who presently finds his  
way home in the policeman's protecting  
arms, is hugged to his mother's heart  
with a new joy. For the mother's heart  
is empty as her arms when her children  
are lost for life. How many a woman  
goes through such an experience, ap-  
pealing in vain for help  
to local doctors, who confess  
that they are "puzzled" to understand the  
cause of the trouble.

In similar cases  
Dr. Pierce's Favorite  
Prescription has been used with  
such success that its record com-  
mends it to every woman whose children  
fail of vitality. "Favorite Prescription"  
gives the mother strength to give her  
child. It strengthens the female organism,  
giving great elasticity to the organs of mat-  
ernity, and making the baby's advent practically  
painless. It is the true  
woman's medicine, es-  
tablishing regularity, drying weakening  
drains, and healing inflammation.

"I can cheerfully recommend Dr. Pierce's  
Pills as the best medicine for  
women," writes Mrs. Mary Marwick, of 200  
Taylor St., Topeka, Kansas. I am the mother  
of ten children and only living—the tenth  
was born when I was old and is a beauty  
and healthy as can be. She is a beauty. Of my other  
children, some were born at right time but dead;  
others were premature births, one lived but  
died before birth. I have had to consult  
different doctors, but none of them could tell  
what my trouble was. They said I was well and  
strong. I was examined by surgeons, but  
none could tell what was wrong. I was  
so worried that I could not sleep. I did not know  
what to do so I thought this last time I would  
try Dr. Pierce's Favorite Prescription. I took it  
and entered the hospital. I have had a fine  
little girl and I cannot praise your medicine  
enough for the good it did me."
