

Stop the Blight

It is a sad thing to see fine fruit trees spoiled by the blight. You can always tell them from the rest. They never do well afterwards but stay small and sickly.

It is worse to see a blight strike children. Good health is the natural right of children. But some of them don't get their rights. While the rest grow big and strong one stays small and weak.

Scott's Emulsion can stop that blight. There is no reason why such a child should stay small. Scott's Emulsion is a medicine with lots of strength in it—the kind of strength that makes things grow.

Scott's Emulsion makes children grow, makes them eat, makes them sleep, makes them play. Give the weak child a chance. Scott's Emulsion will make it catch up with the rest.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle. Send for free sample. SCOTT & BOWNE, 409 Pearl St., New York, 50c and \$1. all druggists.

A Prominent Chicago Woman Speaks
Prof. Roxa Tyler, of Chicago Vice President Illinois Woman's Alliance in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale H. M. Horton, Burns; Fred Haines, Harney City.

Child Worth Millions.
"My child is worth millions to me," says Mrs. Mary Bird of Harrisburg, Pa.; "yet I would have lost her by a group had I not purchased a bottle of One Minute Cough Cure." One Minute Cough Cure is sure cure for coughs, croup and throat and lung troubles. An absolutely safe cough cure which acts immediately. The youngest child can take it with entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed and lent. than 4000 head of beef cattle are being fattened on Butter Creek, in Umatilla County, this winter, and they will soon be ready for market. The same process is observed on the Silvies River, in Harney County, in the Harney Valley, in the John Day Valley, in the Ontario country, in the Lewiston region of Idaho, in Eastern Washington, in fact, in all places specially suited to winter feeding.

"It is safe to say," said Mr. Millis, "that we will hereafter send our livestock to market in a finished state; we are done supplying the raw material for others to finish up and make the larger profit on."

The British authorities are now taking horses at their Ontario and Nampa receiving stations at the rate of 18 to 20 carloads per week. There is no telling how long this will continue, all depending on the progress of events in South Africa.

Jacob G. Lührman, who was sent to the penitentiary in July, 1900, to serve a five year's sentence for manslaughter committed at Sumpter, was pardoned by Governor Geor Tuesday. Lührman killed a man who had threatened his life, and alleged that the act was committed in self-defense. Lührman's case has been a very pathetic one. His wife went to Salem when her husband was taken to the penitentiary, and she has worked as a table waitress in a hotel, in order to support herself and child while waiting for her husband to regain his liberty. When the commutation was granted it was delivered to Mrs. Lührman, who took it to the penitentiary and secured her husband's release.

A bill has been introduced in congress to make the birthday of Wm. McKinley, January 29, a legal holiday. While we should like to see the name of our illustrious Ex-President thus honored, we believe the country is invested with enough of holidays at present.

The president of the American Bar Association has appointed Judge R. S. Bean to represent Oregon at a gathering of lawyers at the Louisiana Purchase Exposition, St. Louis in 1903.

The Mother's Favorite.
Chamberlain's Cough Remedy is the mother's favorite. It is pleasant and safe for children to take and always cures. It is intended especially for coughs, colds, croup and whooping cough, and is the best medicine made for these diseases. There is not the least danger in giving it to children for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by H. M. Horton, Burns; Fred Haines, Harney City.

A Profitable Investment.
"I was troubled for about seven weeks with my stomach and in bed half my time," says E. Demick, Soierville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles. City Drug Store; Fred Haines, Harney.

A MEAN TRICK.

O the doctor he was sad
And the doctor he was mad,
And the doctor rigged and tore and roared, alack!
Some rogue had gone and stuck
In the doctor's sock a duck
That every time you touched it murmured: "Quack! Quack! Quack!"

Uncle Sam's Greatest Secret.

If there is any secret which Uncle Sam jealously guards it is the process manufacturing the fibre paper upon which his money notes are printed. He pays a Massachusetts firm forty-three cents a pound for it, and this firm does its work under the surveillance of a Government agent. The paper is manufactured of the finest rags, cleaned, boiled and mashed into pulp. As it is rolled into thin sheets silk threads are introduced into it by a secret process. These are the distinguishing marks making imitation of the paper well nigh impossible. The sheets of paper already counted twice and placed in uniform packages at the paper mill, are stored in a Treasury vault and issued to the Bureau of Engraving and Printing as wanted. Before leaving the Treasury, they are counted three times more, and the receiving official at the bureau must receipt for them. Then the bundles are unwrapped and the sheets are counted twenty eight times by a corps of women. This is to insure that each printer gets the recorded number—no more, no less. If one sheet of this precious paper be lost the entire force of men and women having access to the room where the misplacement has occurred are kept in like so many school children, to find it. Each sheet is issued from the vault for the printing of a definite amount of money upon it. If the lost sheet were intended to ultimately represent four thousand dollars' worth of notes the group of employees to whom the responsibility of its misplacement has been traced must make good that amount if they cannot locate it within a reasonable time. The most expensive loss which has thus occurred was of a blank sheet issued for the printing of eighty dollars upon its face.—John Elfreth Watkins, Jr., in the January Ladies' Home Journal.

Beat Out of an Increase of His Pension
A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension for on every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea and is pleasant and safe to take. Sold by H. M. Horton, Burns; Fred Haines, Harney.

Don't Live Together.
Constipation and health never go together. DeWitt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with constiveness nine years says J. O. Greene, Depauw, Ind. I have tried many remedies but Little Early Risers give best results." City Drug Store, H. M. Horton, prop; Fred Haines, Harney.
