

Baby's Birth.

How many a woman dates a life of chronic invalidism from baby's birth. She tries "different doctors and different medicines" with little benefit. Then, fortunately her attention is called to the remarkable cures resulting from the use of Dr. Pierce's Favorite Prescription, and she gives the medicine a trial. Her experience is that of ninety-eight women out of every hundred who use Dr. Pierce's Favorite Prescription for womanly ills—she is cured.

Dr. Pierce's Favorite Prescription is peculiarly a mother's medicine. Its use before maternity makes the baby's advent practically painless. It gives the mother strength to nurse her child. It cures diseases peculiar to women and cures them permanently. There is no alcohol, opium, cocaine or any other narcotic in "Favorite Prescription." It is purely a vegetable preparation and cannot disagree with the weakest constitution.

Mrs. Emerson Allen, of Dorset, Ontario Co., Ont., writes: "I can truly say that I think Dr. Pierce's medicine the best I have ever used, in very poor health for a long time, dating from the birth of my little girl. I tried different doctors and different medicines. I derived very much more benefit from your medicines than from any other I have ever used. I took four bottles of 'Favorite Prescription' and three bottles of 'Golden Medical Discovery,' and I always keep the 'Pillars' in the house."

Dr. Pierce's Common Sense Medical Adviser, paper bound, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

A Game for Two.
Once upon a time a young gentleman and a younger lady were in a bright parlor in front of a cheerful open fire, with a table between them, playing cards. As they continued to play and chat the table was not so much between them, for they both got nearer the fire and played the game on one corner of the table. They had started in to play eucher, but after an hour and a half they found that they were playing hearts. Moral—We are not always sure what the game is.—St. Louis Republic.
