

BAD BLOOD

Reveals itself in many ways. Sometimes the impurities in the blood mark and mar the skin with blotches, pimples, boils or other eruptions. Sometimes the result of bad blood is rheumatism or a debilitated condition which is popularly described as "feeling played out, hardly able to drag myself around."

The impurities and poisons which corrupt the blood, clog the liver and cloud the skin are removed by the use of Dr. Pierce's Golden Medical Discovery. It does more than eliminate the poisons; it increases the activity of the blood-making glands so that there is an increased supply of pure, body-building blood. It brightens the eyes, cleanses the skin, and gives new, physical energy.

Accept no substitute for Dr. Pierce's Golden Medical Discovery.

"I thank God for the good your medicine have done me," writes Mr. James M. Sizemore, of Mitchell, Lawrence Co., Ind. "I was not well for two years. My throat was always sore, head ached, and back ached nearly all the time. My weight was 135 pounds. I was taken sick with typhoid fever, and when the fever left me I had such a pain in my left side I could not breathe without pain. I thought I must die. My wife went to the drug store and procured a bottle of Dr. Pierce's Pleasant Pellets. I discontinued the use of my doctor's medicine and began with the 'Golden Medical Discovery' and 'Pellets.' I at once began to feel better; the pain soon left my side and I could breathe with ease. In a week or so I felt so good I could not believe it. I began to walk about the streets; I felt better each morning. After a month's use of the medicine I was well. That was over a year ago. Now I weigh 155 pounds and feel better than ever in my life."
