

WOMAN'S WEIGH

Does not always keep pace with woman's will. There are energetic, home-loving women who by sheer force of will keep themselves young, and fancy that strength of will can take the place of strength of body. But it can't. Every day will see a loss of strength, and that loss will be indicated by a loss of weight. When the weight begins to fall below the normal it is time to ask, Why?

In general, ill health in women may be traced to those womanly diseases which sap the strength and undermine the vitality. Dr. Pierce's Favorite Prescription has done for thousands of women what it does for all. I determined to try it myself. I took three bottles, and today I am a strong, well-developed woman. Have gained 25 pounds since I started to use your 'Favorite Prescription'.

Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.

A WORTHY SUCCESSOR

"Something New Under the Sun."

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and speciality of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE," and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

MOUNTAIN SPLIT.

Continued from First page. cabins and bridge and everything inflammable on deck was constantly igniting, and it was with great difficulty that we few survivors managed to keep the flames down. My ropes, awnings, tarpaulins were completely burned up.

I witnessed the entire destruction of St. Pierre. The flames enveloped the town in every quarter with such rapidity that it was impossible that any person could be saved. As I have said, the day was turned suddenly to night, but I could distinguish by the light of the burning town people distractedly running about on the beach. The burning buildings stood out from the surrounding darkness like dark shadows. All this time the mountain was roaring and shaking, and during the intervals between these terrifying sounds I could hear the cries of despair and agony from the thousands who were perishing.

The cries added to the terror of the scene, but it is impossible to describe its horror or the dreadful sensations it produced. It was like witnessing the end of the world. Let me add that after the first shock was over, the survivors of the crew rendered willing help to navigate the ship to this port. Mr. Pilisson, our agent at Martinique, happened to be on board, and was saved, and really I believe that he is the only survivor of St. Pierre. I was severely burned on the hands and face. There are many who wager that Furnish will be the next Governor, and there are others who are equally positive that Chamberlin will be elected; and while politics is now engaging the minds of many, we must not forget our every day requirements, and to do this the question arises where can we get everything we want at the lowest prices. But it is conceded in this that there is only one place where the stock of goods is carried, and where you can buy for the lowest price, the best quality of goods, and from the firm whose name is a guarantee as to quality, price and quantity of goods to select from. The firm we refer to is the "Old Reliable" and Pioneer Store at Huntington, the O. C. Co.
