With two faces; one face bright with health, the other face pined and drawn by illness. Many a woman can take the portrait of herself made but a few years ago, and biding it by her face in the mirror realize a similar change.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
