

A child three years of age died of drunkenness the other day in New York City. The parents said they had given the child whisky to strengthen him. In their absence he found a bottle of whisky and drank from it, until he fell over in a drunken stupor, from which the physician could not arouse him. That is only one case in several cases of baby drunkenness recently noted. The important fact is that alcoholic stimulants quickly develop the alcoholic habit in children. This fact is just as true when the alcohol is disguised as a medicine, a "sarsaparilla" or other "compound." So many medicines contain alcohol, to the same extent that it is contained in beer or whisky, that parents should be cautious what medicines they give their children.

There is absolutely no alcohol, whisky or intoxicant in any form in Dr. Pierce's Golden Medical Discovery, neither does it contain opium or any other narcotic. It is a blood-making and body-building medicine. It does not make flabby flesh but good, firm flesh and muscle. It is pleasant to the taste.

"My four-year-old daughter had suffered from indigestion and bowel trouble from birth," writes Mrs. Lillian Allen, of Baltimore, Lacksawanna Co., Pa. "The treatment given her by home doctors afforded but temporary relief. Last February she was taken with severe pain in the bowels followed by violent vomiting. She experienced difficulty in passing urine, which was also deposited a milky sediment. I then called a doctor from her neighbors and wrote to the World's Dispensary Medical Association of Buffalo, N. Y. receiving in reply a letter advising the use of Dr. Pierce's Golden Medical Discovery together with a special medicine which they sent. This line of treatment I followed for about two months at the end of which time my child was enjoying good health, and she has had no severe attack of indigestion since."

A WORTHY SUCCESSOR

"Something New Under the Sun."

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE," and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept H-49 EDWIN B GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J.
