

THE CAMEL'S HEAD.

"Where the camel's head goes his body follows," says an Oriental proverb. It's the same way with disease. A small opening will give it an entrance and when disease once has a place in the body a large number of its ways follow it.

The opening for disease is often found in a "weak" stomach. When the stomach is "weak" the body also becomes weakened by lack of nutrition, and disease attacks the heart, liver, lungs, kidneys and other organs.

Dr. Pierce's Golden Medical Discovery makes the weak stomach strong. It cures diseases of the stomach and other organs of digestion and nutrition, and so enables the body to resist or throw off other diseases. Men and women who are sick are invited to consult Dr. Pierce, by letter, and so obtain without charge the opinion of a specialist on their ailments. All correspondence strictly confidential. Address: Dr. R. V. Pierce, Buffalo, N. Y.

"For the past two years I have been a very old woman," writes Mrs. Chesley, of 10 Woodland Ave., Cleveland, Ohio. "I tried medicines from doctors and to no avail. At last I decided to try Dr. Pierce's Golden Medical Discovery. When I started I was all run-down and had a very unpleasant taste in my mouth. I was choked up, and at times it was very hard for me to breathe. I had severe headaches and cutting pains in my knees and feet. I was unable to attend to my work nor walk up or down stairs without the assistance of my brother or some friends. I am now taking the fourth bottle, and am happy to say I feel like myself again. I can go up and down stairs and perform my duties as well as any one. Everything seems to be brighter, and I can assure you that life is worth living."

Accept no substitute for "Golden Medical Discovery." There is nothing just as good for dyspepsia or debility.

Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.

A WORTHY SUCCESSOR

"Something New Under the Sun."

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE," and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept H491 EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by H. M. Horton, Burns; Fred Haines, Harney.
