

DON'T LISTEN

To what people say when they would discourage your hope of exchanging womanly weakness and sickness for perfect health. Women who have been invalids for years, scarcely able to be up half the time, and the other half of their time spent in bed, have been made healthy by the use of Doctor Pierce's Favorite Prescription. It cures the womanly diseases which undermine the strength, it establishes regularity, dries weeping drains, heals inflammation and ulceration and cures female weakness.

"With pleasure I send a few lines to let you know that I feel much better than I did eight years before taking your Favorite Prescription," writes Mrs. Pierce Case of 122 West Philadelphia Street, New York. "I will recommend Dr. Pierce's medicine to every person who is in quite as to what it has done for me. I was troubled with female weakness and began to think I would never be well. If I had continued the treatment prescribed by my doctor I don't know what would have become of me. When your treatment was commenced my weight was 100 lbs.; at present it is 120. I have healthy color and my friends say I look well. My best thanks to you and my best wishes too, for what you have done for me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. The Common Sense Medical Adviser, 1608 Large pages in paper covers, is sent free on receipt of 21 one-cent stamps to any expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

A WORTHY SUCCESSOR

"Something New Under the Sun."

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE," and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use. "SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

Oregon Notes

Several of the country schools in Polk County are unable to secure teachers, and some of them may remain closed all winter.

Frank Strong, former president of the Oregon State university, was last Saturday installed as chancellor of the university of Kansas.

Incendiaries made another attempt last Friday to destroy Fort Stevens at the mouth of the Columbia. Efforts to find the incendiaries, who live within the fortifications, have proved futile. Similar efforts to burn the post were made some time ago.

The mine owners and operators of the Baker City district have organized for the purpose of securing a change in the recent order of the Secretary of the Interior creating the Eastern Oregon forest reserve. A meeting was held and it was resolved to invite Senator Mitchell to visit Baker City and look into the condition of affairs.

The Secretary of the Interior, on recommendation of Commissioner Hermann, has appointed R. A. Emmett, of Keno; Nathaniel Langell, of Medford, and Elmer I. Applegate, of Klamath Falls, to appraise certain lands formerly a part of old Fort Klamath military reservation. The lands are to be sold at public auction at not less than their appraised value.

It has been definitely decided that the Oregon Short Line will build and operate on the Pacific Ocean at least one line of Oriental steamers and a coasting service as great as the traffic may demand. The headquarters of the service will be at Portland and it is thought possible that another port on the Coast will be opened to this navigation in the near future.

Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by H. M. Horton, Burns; Fred Haines, Harney.

Slang in Education.
(President Hall, of Clark University, says: "Boys and girls need slang. It's good for them. Let them use it. Slang aids the boy or girl of from 14 to 19 years of age to acquire fluency.")

Aw! cheese the cultured layout;
Cut out the brainy talk,
This wise guy has it coppered,
And he wins in a walk.
Get onto education—
You'll nab it in a bunch,
If you're like old Columbus
And follow up your hunch.
Who was the lunk that figured
This lot of grammar dope?
Oh, pass him up! He's nutty,
What us kids need is rope.
We're next to all the gabble—
But when we're due to balk
Is when the teacher orders
A first-class string of talk.
That gazabo—that Euclid—
He rubs against my nerves
With all his razzle-dazzle
On getting onto curves.
And history? Say fellows,
It jolts me up a lot
To read how some old has-been
Was Johnny on-the-spot.
Say, this slang education
Will cop out all the trade,
We'll pass around our language
A la Professor Ade.
The coming school commencement
Will be extremely fly
With hot stuff umpalazzas
About the "Goo-Goo Eyes."

A Remarkable Record.
Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by H. M. Horton, Burns; Fred Haines, Harney.
