

# Proverbs

"When the butter won't come put a penny in the churn," is an old time dairy proverb. It often seems to work though no one has ever told why.

When mothers are worried because the children do not gain strength and flesh we say give them Scott's Emulsion.

It is like the penny in the milk because it works and because there is something astonishing about it.

Scott's Emulsion is simply a milk of pure cod liver oil with some hypophosphites especially prepared for delicate stomachs.

Children take to it naturally because they like the taste and the remedy takes just as naturally to the children because it is so perfectly adapted to their wants.

For all weak and pale and thin children Scott's Emulsion is the most satisfactory treatment.

We will send you the penny, i. e., a sample free.

Be sure that this picture is the form of a label on the wrapper of every bottle of Emulsion you buy.

## A WORTHY SUCCESSOR

"Something New Under the Sun."

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE," and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

## Oregon Notes

There is a very strong sentiment throughout this state in favor of the taxation of franchises, corporation privileges and business conducted by concerns that pay very little taxes on property.

About 3,000,000 feet of lumber recently ordered by the War Department from the Pacific Export Lumber Company will be shipped from Portland on the steamer Quinto, under a contract with Laidlaw & Co on November 25. The Government is to pay \$11.50 per thousand feet for the transportation of this lumber.

A. J. Nielson, ex-sheriff and tax collector of Lake County, who was found guilty of defalcation in office by a jury at the May term of court, was sentenced Oct. 27, to four years in the penitentiary, and ordered to pay a \$6000 fine to cover the amount of defalcation. Attorneys for Neilson appealed to the Supreme Court on a certificate of probable cause. Pending the action of the Supreme court, Neilson is in charge of the Sheriff.

During the past year 127 fourth-class postmasters in Oregon tendered their resignations, six were removed at the expiration of a four-year term, nine were removed for cause, and three died in office. There were 38 new offices established and 35 discontinued, there being at the end of the year two more fourth-class offices than at the close of the preceding fiscal year. On June 30, 1902, there were 37 Presidential postoffices in Oregon, one more than on the corresponding date of 1901.

The state printing office is now working on the last form of the new Oregon code and the two volumes will be sent to the bindery next week. It is expected that the new code will be ready for distribution about the middle of November. Under the act authorizing this code, the publisher must furnish the state 1000 sets for \$10,000 and must keep the code on sale for six years at not more than \$12 per set. The volumes delivered to the state will be distributed among the members of the last Legislature, the state officers' Federal Judges, Circuit Judges, District Attorneys, County Treasurers, County Commissioners and Justices of the Peace. A set will be sent to each Governor and each state library in the United States.

His Life Saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"B. L. Byer, a well known cooper of this town, says he believes Chamberlain's Colic, Cholera and Diarrhoea Remedy saved his life last summer. He had been sick for a month with what the doctors call bilious dysentery, and could get nothing to do him any good until he tried this remedy. It gave him immediate relief," says B. T. Little, merchant, Hancock, Md. For sale by H. M. Horton, Burns; Fred Haines, Harney.

Mr. D. P. Daugherty, well known throughout Mercer and Summer counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours.
