

WEEDS

Consumption is a humor weed flourishing best in weak lungs. Like other weeds it's easily destroyed while young; when old, sometimes impossible.

Strengthen the lungs as you would weak land and the weeds will disappear.

The best lung fertilizer is Scott's Emulsion. Salt pork is good too, but it is very hard to digest.

The time to treat consumption is when you begin trying to hide it from yourself. Others see it, you won't.

Don't wait until you can't deceive yourself any longer. Begin with the first thought to take Scott's Emulsion. If it isn't really consumption so much the better; you will soon forget it and be better for the treatment. If it is consumption you can't expect to be cured at once, but if you will begin in time and will be rigidly regular in your treatment you will win.

Scott's Emulsion, fresh air, rest all you can, eat all you can, that's the best treatment.

We will send you a little of the Emulsion free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

NOT IN ANY TRUST

Many newspapers have lately given currency to reports by irresponsible parties to the effect that

THE NEW HOME SEWING MACHINE CO had entered a trust or combination; we wish to assure the public that there is **no truth** in such reports. We have been manufacturing sewing machines for over a quarter of a century, and have established a reputation for ourselves and our machines that is the envy of all others. Our "New Home" machine has never been rivaled as a family machine—11 stands at the head of all High Grade sewing machines, and stands on its own merits.

The "New Home" is the only really High Grade Sewing Machine on the market. It is not necessary for us to enter into a trust to save our credit or pay any debts as we have no debts to pay. We have never entered into competition with manufacturers of low grade cheap machines that are made to sell regardless of any intrinsic merits. Do not be deceived, when you want a sewing machine don't send your money away from home; call on a "New Home" Dealer, he can sell you a better machine for less than you can purchase elsewhere. If there is no dealer near you, write direct to us.

DID NOT HOLD HIS PEACE.

As a Result the Wedding Proceeded with Another Groom.

"I attended a mountain wedding in McDowell county, W. Va.," said a writer in the Washington Star. "Everything went along smoothly at first. The cabin was brilliantly lighted with candles and one of the best fiddlers in the country was present to furnish music for the dance to follow the wedding ceremony. Nothing occurred to mar the proceedings until the minister came to the point where he invited anyone who had anything to say why the couple should not enter the bonds of matrimony to speak or thereafter hold his peace, when a rough-looking mountaineer arose and said:

"Anything ter say, parson? Well, I reckon I hev. I hev allus intended ter marry that gal myself, an' the feller knowed it, so he joss kep' outen my way. I sent 'im word to prepare for a liekin', an' he left the country, but kep' a-writin' ter the gal. Now, I'm here ter make my word good, an' fore this hys event goes any farther, the taller-faced coward has me ter fight."

"In vain the preacher tried to restore order. A ring was soon squared in the center of the room and the men went at it. In about ten minutes the groom announced that he had enough, and the victor, taking the arm of the blushing bride, deliberately changed the groom's name in the marriage license to his own, while the vanquished lover made his escape. Everybody appeared to be satisfied, and the marriage took place as though nothing had occurred to mar the solemnity of the occasion."

SAVED HER WHEN A BABY.

And Thirty Years After He Met and Married Her.

A romantic marriage occurred at Atlanta a few days ago, the parties to it being Mr. H. F. Bailey, of Jackson, Miss., and Miss Hodges, of Virginia. Mr. Bailey is somewhat past 50 years of age and the bride is about 20, says an exchange.

The couple first met during the war when Miss Hodges was a baby. It happened when the northern soldiers approached Jackson, Miss. The parents of Miss Hodges resided there at the time, and when the grand rush to avoid the Yankees was made Mr. Bailey, then a confederate soldier, secured a wagon and loved the Hodges family. In the hurry and excitement the little girl was forgotten, and she was not missed until the family had gone several miles.

Mr. Bailey volunteered to go back and find her, which he did. The child was found in the road near her home crying. Mr. Bailey carried her to her parents.

Soon after that Mr. Hodges moved with his family to Virginia, and Mr. Bailey saw them no more for 20 years. Last year, says the Chicago News, his wife died, and it occurred to him to look up his old friends and see what had become of the little girl whom he had saved from the invaders in the long ago. He went to Virginia and found her teaching school. They corresponded and agreed to meet at Atlanta during the fair and be married.

ART, MUSIC AND SCIENCE.

Trilby has reached Paris. It is to be made there into an opera comique.

Eugene d'Albert opera Ghismonda was very coldly received at its first performance in Dresden.

"Jack the Ripper" is the subject of a new opera about to be produced at Verona, music and words by an Italian named Goma.

Leo XIII. and Due d'Aumale have been made honorary members of the St. Petersburg Imperial Academy of Science.

Prof. Knackfuss, who executed Kaiser Wilhelm's allegorical cartoon, has been appointed director of the Berlin National museum in succession to Dr. Jordan.

Lassalle, the baritone, has set up a cement manufactory at Chantemelle on the Seine. He attends to the business himself, and has been made mayor of the town.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million battles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by H. M. Horton, Burns; Fred Haines, Harney.

Mr. D. P. Daugherty, well known

throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by H. M. Horton, Burns; Fred Haines, Harney.
