

## Enjoyment.

What better form of solid enjoyment than to smoke a good cigar after a good dinner? There are a number of departments in our store in which we take special pride; our cigar department is one of these. We have imported cigars in good variety, and most of the better grades in domestic cigars. We believe we know how cigars should be kept in order to please the taste of the fastidious smoker. We should like to have your opinion on the subject

Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by H. M. Horton, Burns; Ered Haines, Harney.

## Long Hair

"About a year ago my hair was coming out very fast, so I bought a bottle of Ayer's Hair Vigor. It stopped the falling and made my hair grow very rapidly, until now it is 45 inches in length."—Mrs. A. Boydston, Atchison, Kans.

There's another hunger than that of the stomach. Hair hunger, for instance. Hungry hair needs food, needs hair vigor—Ayer's.

This is why we say that Ayer's Hair Vigor always restores color, and makes the hair grow long and heavy. \$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

**Drowned in Silvies River.**

Edwin J. Lampshire, son of Mr. and Mrs. Stephen Lampshire, and a prominent young rancher living north of Burns, met his death Monday evening by drowning in Silvies River about four miles from his home. In company with his brother, James, he was returning home about dusk with a bunch of cattle. A cow became separated from the band and he started to head her off. To do this took him down the river and in crossing was thrown from his horse. His brother hearing the horse floundering in the water came up just as the riderless horse came upon the bank. He looked for Ed and saw him sink in the water, and on his reappearing he succeeded in dragging him out. He worked with him for about an hour trying to restore him but all effort proved without avail.

The young man has lived in this community for the greater part of his life and was highly esteemed by all who knew him. Besides his parents and brother, he leaves a widow to mourn his loss.

The funeral took place yesterday morning from his home north of town, the services being conducted under the auspices of the Odd Fellows.
