PEACE MUST BE KEPT

Governor Issues Proclamation Regarding Range Trouble.

Salem, Or., July 17.—Governor Chamberlain proposes to do all that is in his power to preserve peace among the owners of cattle and sheep in Eastern Oregon, and has assured the local authorities in that section of the state of his readiness to take such measures as may be necessary in order to prevent lawlessness, destruction of property and murder. In pursuance of that policy he today issued the following proclamation:

Whereas, complaints have been and are being made to me that in certain counties in the eastern portion of the state, notably in Grant, Baker, Crook, Wheeler and Harney Counties, threats to do injury to life and property are openly indulged in, and serious conflicts are imminent between the owners of cattle and sheep because of differences as to their respective rights on the public ranges unless the greatest vigilance is exercised by the local authorities,

Therefore, in the hope that such calamity may be averted, and our state saved from the discredit which would attach to it in the event of such conflict as appears possible, I do earnestly appeal to the several District Attorneys, Sheriffs, Constables and other officers in said counties to whom is entrusted the enforcement of the law and the protection of the life and property of the citizen, to exercise the greatest vigilance and care that no overt acts of lawlessness are indulged in by any of the contending factions, and to arrest promptly and zealously prosecute all persons implicated in the violation of the laws.

In the event of any trouble which the local authorities are unable to control, an appeal to the state will meet with such response as the law will warrant in the emergency.

In testimony whereof, I have hereunto set my hand and caused to be affixed the great seal of the State of Oregon, this sixteenth day of July, in the year of our Lord, one thousand nine hundred and three.

GEORGE E. CHAMBERLAIN,
Governor.
F. I. Dunbar, Secretary of State.

The outing season has begun. People are thinking of going to different places for their annual rest, or what ever you wish to call it. There is a prevailing and pleasant idea that it is needed. Probably it is. There is plenty of argument on that side. And yet there are people who get outings continually through their lives, winter and summer, in hot and in cold weather, taking it in homeopathic doses. There is a way of securing recreation at home that is vital in its character. Perhaps it is not enough and does not give the desired change, but it is better than nothing and has many elements of merit in it. There is this anyway. It is well to always live with sunshine in one's heart, making the best of surroundings, not worrying over imaginary ills nor creating trouble, but going along smoothly, capable of dropping the disagreeable and unpleasant and thinking only of the best.—The Dallas Chronicle.

GREAT MILLINERY SALE!
Big reduction in Ladies' and Children's street hats, and Children's trimmed hats. Don't overlook one of the greatest bargains ever offered in Burns. Call at the home of Mrs. G. W. Cummins.

They've made a wireless telegraph, a horseless carriage, too, and there's no telling what the mind of man can do. We'll soon be eating henless egg, and drinking cowless milk, and wearing clothes of sheepless wool or mayhap wormless silk. How would you like a treeless peach, or a piece of hogless pork? I'd be content if they would invent a workless kind of work. They'll yet make wireless telephones, or maybe, noiseless noise, and I'm afraid if they keep on they'll yet makk dadless boys.—Seattle Commonwealth.

Every community owes the prime duty of support to its local press. If a man can afford to take only one paper he should take his home paper. If he can go farther and take a daily, let that be but the supplement to his county paper. The old Greek adage, "know thy self," should be expanded into "know thy neighbors," and the way to do this is to support your home paper. There is no better or more helpful asset to any county than a good news paper, filled with neighborhood news, and dealing with all issues of common interest as the weekly press usually does.—Atlanta Constitution.

OREGON NEWS

Items of Interest Gathered From Different Parts of the State.

William Porter, ex-City Marshal of Union, has been appointed a warden in the State Penitentiary. John Minto, of Portland, is reported to be an aspirant to the office of United States Marshal of Alaska.

Congressman Hermann has promised to work for a \$500,000 appropriation for the improvement of the Tillamook bar.

Frank C. Baker, ex-state printer, has been elected chairman of the republican state central committee to succeed W. F. Mathews, resigned.

A dispatch from Salem says that from the present outlook the \$100,000 appropriated by the last Legislature for the payment of Indian War Veterans will lack \$50,000 of being sufficient.

Assistant Postmaster Tracey of Baker City, has been dismissed for carelessness. Tracey has been in the office as postmaster and assistant since 1868. A petition is being numerously signed by residents of Baker City to have him retained.

The largest tree in Oregon was felled recently to be sent as a curiosity to the World's Fair. It was the Aberdeen Spruce, and stood nearly 300 feet high, 40 feet around and 118 feet from the ground to the first limb. Its age is calculated at 440 years, being a good sized tree when Columbus discovered the land that was afterward called America.

The law passed by the last legislature regulating the storage of grain went into effect July 1st. Under the provisions of this statute it will be unlawful for any person or firm to receive grain for storage without first obtaining a license from the county court and giving such bond as that court may deem sufficient. The law covers all storage of grain, whether for pay or otherwise.

Governor Chamberlain has issued a proclamation offering a standing reward of \$300, for the arrest and conviction of each and every person engaged in robbing or attempting to rob any person upon or having in charge, in whole or in part, any stagecoach, wagon, railroad train, or other conveyance engaged in carrying passengers, or any private conveyance within this state. No reward will be paid, however, except after conviction.

The easy way to tap central and southeastern Oregon by rail is through the extension eastward of the Oregon Pacific. If Harriman refuses to assist the Columbia Southern to go up the Deschutes, Portland's salvation lies in the Oregon Pacific extension to the east and a line north via Salem to Portland. Meanwhile that Oregon water power railroad that is building eastward through Clackamas county means something.—Salem Sentinel.

Fred Hewitt, postmaster of Ukiah has been arrested on complaint of Postoffice inspector Clarke, charged with a small shortage in his accounts and also with using postage stamps for remittances in the payment of merchandise bills in order to increase his accounts of stamps sold. He was taken before Commissioner Haley of Pendleton, last Saturday, when he waived examination and was bound over to the Federal grand jury in the sum of \$500. Mr. Hewitt was formerly editor of the Ukiah Sentinel.

A San Francisco dispatch says: The \$11,000,000 paid Harriman by Senator W. A. Clark for the southern end of the Oregon Short Line is to be used by him to extend that line in Oregon and Idaho. It is said he has arranged to open an entirely new country in Central Oregon. The proposed extension in Idaho will be in the nature of a cut off and will shorten the distance between Montana towns and San Francisco and Portland via the Harriman lines over 200 miles. It will cut in two the distance between Butte and Boise City. A tunnel two miles long through the mountains near Salmon City in Idaho will have to be constructed.

Mr. D. P. Daugherty, well known throughout Mercer and Summer counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by H. M. Horton, Burns; Fred Haines, Harney.

The Chicago Weekly Inter Ocean is the only weekly newspaper published in Chicago in connection with the great daily papers. It contains a judiciously selected summary of the news of the nation and world, the best stories, home, farm, woman's, and other special departments, and fair, patriotic, able editorials, written from a Republican viewpoint. It is by far the best general newspaper of the Western States. The regular price for the Weekly Inter Ocean is \$1.00 and for the Harney Valley Items \$1.50, but subscriptions will be received at this office for the two papers in combination for one year for only \$1.50.

His Life Saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"B. L. Byer, a well known cooper of this town, says he believes Chamberlain's Colic, Cholera and Diarrhoea Remedy saved his life last summer. He had been sick for a month with what the doctors call bilious dysentery, and could get nothing to do him any good until he tried this remedy. It gave him immediate relief," says B. T. Little, merchant, Hancock, Md. For sale by H. M. Horton, Burns; Fred Haines, Harney.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-worked in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
