New York, July 26.—Dr. H. Nelson Jackson, of Burlington, Vt., and Sewall H. Crocker, his chauffeur, today completed an automobile trip across the continent which began at San Francisco May 23. It is the first time that an automobile has made the trip from ocean to ocean.

(Dr. Jackson passed through Burns June 8, and reached Omaha, July 12. Numerous stops were made for repairs and considerable time lost on account of bad weather. The trip was made purely for pleasure and the machine was not pushed to its best.)

Hair Splits

"I have used Ayer's Hair Vigor for thirty years. It is elegant for a hair dressing and for keeping the hair from splitting at the ends."—J. A. Gruenfelder, Grantfork, Ill.

Hair-splitting splits friendships. If the hair-splitting is done on your own head, it loses friends for you, for every hair of your head is a friend.

Ayer's Hair Vigor in advance will prevent the splitting. If the splitting has begun, it will stop it.
