**To Promote Irrigation.**

To further the movement to save the forests and store the floods, the 11th session of the National Irrigation Congress will be held in Ogden, Utah, September 15 to 18. Oregon, as a state, is entitled to 20 representatives. Representatives from all the states affected by the National irrigation act are expected at the congress. Not only those interested directly in irrigation work, but business men and large land-owners, will attend and take an active part in the sessions. The subjects which will be discussed are practical irrigation and forestry lessons, reports of experts, application of the provisions of the reclamation act, state progress under National act, views on settlement and legal complications, themes on colonization. Senator W. A. Clark, of Montana, is the president of the National Irrigation Congress. F. J. Kiesel, of Ogden, is the chairman of the board of control; H. B. Maxson is the secretary. Nearly all the Western States are represented by state vice-presidents. Oregon's vice-president is E. M. Brannick.

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and it brought all my hair back again."  
W. D. Quinn, Marseilles, Ill.

One thing is certain,—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. It feeds the hair and the hair grows, that's all there is to it. It stops falling of the hair, too, and always restores color to gray hair.

The following letter from Mr. Jefferson Meyer, president of the Lewis and Clark Centennial Exposition Commission for the State of Oregon, is self explanatory: Sec'y Harney Co. Fair, Burns, Oregon.

My dear Sir:—The Lewis and Clark Centennial Exposition Commission has appropriated the sum of \$2000, or so much thereof as may be necessary, to make purchases and pay expense of agents for gathering exhibits at the district fairs in the State of Oregon. We will no doubt send a representative to your fair. Will you kindly advise me when and where you hold this fair. Assure your people that should they have any choice exhibits, that satisfactory arrangements will no doubt be made to take them to St. Louis.

Trusting this will be of value to you, and that your fair will be a greater success than ever before, I am  
Yours very truly,
