**Emergencies, most insurance and Oregon Health Plan are all welcome.
 Some level of treatment financing is available to everyone.**

MG15

Blue Mountain Hospital Home Health Agency

*offers a skilled Medicare service by professional nurses,
 home health aides and physical therapists.*

We receive
 referrals
 such as:

- Aftercare from an injury, surgery, stroke or heart attack
- Diabetic teaching
- Medication management

Our qualified nurse will come to your home to assess your needs. We arrange for other disciplines to be involved in your care, if needed. This might include a home health aide to assist with your personal care and do light housekeeping, a medical social worker to offer counseling to aid you and your family in adjusting to new roles related to illness and injury, a dietitian, or a physical therapist.

Home Health now has an Occupational Therapist.

If you have any questions or think you know of
 someone who might benefit, please call

541-575-1648.
