MG15

Peace of mind isn't hard to find.

You just have to know where to look.

Neurosurgeons, Dr. Kent Yundt and Dr. Anthony G. Hadden, Jr. welcome Dr. Philip Wallace to Northwest Brain & Spine.

Dr. Yundt and Hadden, trained in both complex brain injuries as well as minimally invasive spinal reconstructive surgery, are joined by **Dr. Wallace** who specializes in sports medicine and rehab. *They are committed to serve the Central Oregon community with exceptional skill and unparalleled compassion.*
