working on putting and chipping drills, areas that saw improvement at last Friday's competition at the Wildhorse Resort and Casino course in Pendleton.

Broemeling said he's working on having a more consistent game, and he and his teammates are hoping for a return to state.

"I definitely enjoy the group of people I've played

golf with, and the people on the other teams," he said. "Ron's been really great the last four years as coach - he's really helped me get better."

Gehley, who placed fifth at the district tournament last year, is planning to attend the Down Under Sports International Games in Australia this summer, where he will compete on the Oregon State Golf Team.

"I'm looking forward to district and seeing how I match up with the other golfers," he said.

Barrietua said things are

looking good this season.

"I'm working on lining up my putting, and putting out," he said.

Lundbom said he enjoys coaching golf and helping youth become hooked on the sport.

"When the girls break 100, and the guys break 90, when Christopher Gibson got that hole in one, and being the first to see the excitement in their eyes - that's priceless," he said. "We've got a good program and want to keep it going as long as we can."

This year's competition looks strong, he said.

Nixyaawii, Echo and Wallowa are "a lot better than I predicted going into the season," he said.

In Oregon high school golf, the team scores average out the top four marks.

"This year we'll take the four scores instead of the best four out of nine - it will just be the four boys' scores," Lundbom said.

He added that to have a successful season, the team will "have to play to their strengths and get their confidence back - last year, we peaked at the end of the season."

# TRACK

Hitz reached the 11-00.00 mark in pole vault for first place and a PR; he also gained second in javelin with a throw of 150-00, and second in the 110 and 300 hurdles.

Other PRs came from Camarena who threw shot put 23-11.00 for seventh, and Cobb threw 22-08.00 for 10th place.

Ethan Camarena sprinted to third in both the 100 and 200, and Michel Hitz finished third in the 300 hurdles.

## Monument

Monument head coach Earl Pettit said his team also did well.

"Most of our athletes, despite the weather, established best marks for the season," he said.

Monument's Maya Thomas placed second in the 1,500 and was third in the 800. Treiquella Osborne finish third in the discus and long jump.

For the boys, Hayden Schaffer placed third in discus and fifth in javelin.

Monument and Long Creek also competed at the Dick Hornya Invitational in Stanfield last Saturday.

## Dayville

Dayville's head coach Peter Bogardus said that over two track meets, the Small Schools and the Burns Invite, his team of seven varsity ath-

letes earned 13 personal records.

"It is a welcome change to have hurdlers and sprinters this year, as we have had dominantly throwers the last several years," he said. "Also, we have many younger faces, bringing the team total to 19 athletes in grades 5-12."

For Dayville girls at the Small School Meet, Cody Perkins finished second in the 100-meter dash and Skylar Powell was fourth in shot put.

On the boys side, Preston Edmondson was fourth finish in discus.

## Long Creek

Long Creek's Alvaro Lopez had a third-place finish in

the 1,500, and the 4x400 relay team of Cody Baker, Timo Goebel, Alvaro Lopez and Massimo Basconi finished third.

Maria Cabral threw shot put for 11th place out of 18.

## Meet of Champions - Grant Union

All four of the Grant Union girls competing at the April 11 Meet of Champions at Willamette University in Salem performed well, coach Smith said.

All medaled in their events, including Samantha Brock, long jump and triple jump; McKenzie Wilson, high jump, triple jump; Chelsie Kodesh, javelin; and Jozie Rude, shot put.

**GARRETT HITZ**

School: Prairie City  
Grade: 11  
Parents: Joe and Nancy Hitz  
Sport: Track and Field

*What I like best about my sport:* "I like that it's more of an individual effort, and you can see how you improve in each of your events."  
*Coach's Comment:* "Garrett Hitz practices hard, spending the extra time needed to improve and has been a team leader this year. His primary events are the pole vault, javelin, 100 hurdles and 300 hurdles. He has also participated in the high jump and is interested in the long and triple jump events. Garrett and some of the other high school athletes have also been helping some of the junior high athletes with their skills."

**Nominate Your Educational Hero**

Educators play an extremely important role in our community and are often underappreciated.

This year, Doug's Motor Vehicle Repair is saying "Thank you, educators" by honoring an "Educator of the Month."

Each month one local educator will be highlighted in the Blue Mountain Eagle and will receive a \$50 gift certificate from Doug's Repair. Educator of the Year will receive \$1,000 to be donated to school of their choice.

Nominate your Local Hero by picking up a nomination form at the Blue Mountain Eagle or Doug's Repair, or download a copy from the Blue Mountain Eagle's website - www.bluemountaineagle.com.
